Southeastern Student Handbook

This edition of the Student Handbook reflects the most current policies and procedures of this institution; it should be adhered to throughout the course of a student's enrollment at Southeastern Baptist Theological Seminary and Judson College at Southeastern (SEBTS). The Dean of Students Office reserves the right to make changes to this Handbook at any time when such changes are deemed necessary. Where there are other specifications pertaining to non-traditional students, such as Advanced Degree students, Distance Learning students, etc., those specifications will be indicated in writing by the responsible offices for those demographics. However, the policies contained in this Student Handbook should be considered germane to all SEBTS demographics and supersede all degree-specific handbooks.

Welcome from the Dean of Students

On behalf of the Student Life Division, welcome to Southeastern!

We are so very glad that out of all the places you could have chosen to attend college or seminary, you have come here.

It is my deepest hope and prayer for each of you that while you are here you will fall ever more deeply in love with the Lord and worship Him with all your heart, soul, mind, and strength. I am also praying that, as an outflow of your love and worship of God, you will flourish personally, develop in your ministry skills, and experience an increasing joy in serving the local church.

Here at Southeastern, we strive to make the gospel of Jesus Christ and His Great Commission central in all we do. By dying on the cross as a sacrifice for our sins and rising again as the conqueror of death, Jesus Christ made it possible for us to become the children of God. That means that all who have been saved from the wrath of God by the grace of God through faith in Jesus Christ are together the family of God. As a family, we have the privilege of joining together to worship and glorify our great God and seeking to expand the proper worship of Him to the ends of the earth.

At Southeastern, then, we are a faith family or a “comm-unity” of faith. That is, we are a people who are *united* around a *common* purpose of worshipping the Lord and maximizing that worship throughout all creation. This is the vision that makes SEBTS more than an institution. We are a movement with a vision, purpose, and goal.

Thus, it is with great joy that I welcome you to the Southeastern community. May it be that together, we will thrill the Lord with worship in our classrooms, residences, local church involvement, and our relationships with the lost wherever they may be in the world. As Paul reminded the believers in 1 Corinthians 10:31: “Whether then you eat or drink or whatever you do, do all to the glory of God.” Let us make every aspect of our life together one that thrills our great God!

Please know that my office and staff are eager to serve you in whatever capacity we can. All of us in the Student Life Division are delighted you are here!

Mark D. Liederbach, Ph.D.
Vice President of Student Life, Dean of Students

History, Statements, & Affiliations

History of Southeastern

Southeastern Baptist Theological Seminary (SEBTS) came into existence by a vote of the Southern Baptist Convention in 1950. Student matriculation began in 1951. In 1995, Southeastern Baptist Theological Seminary added an undergraduate division known as Southeastern Baptist Theological College. The name was changed to Southeastern College at Wake Forest by Trustee action in their Spring 2000 meeting. In Spring 2008, the Trustees approved a name change to The College at Southeastern. Most recently, the Trustees approved a new name of Judson College at Southeastern. Through May 2022, SEBTS has awarded 18,965 degrees.

Institutional Statements

Mission

Southeastern Baptist Theological Seminary and Judson College at Southeastern seek to glorify the Lord Jesus Christ by equipping students to serve the Church and fulfill the Great Commission (Matthew 28:18–20).

Identity

Southeastern Baptist Theological Seminary is an institution of higher learning and a Cooperative Program ministry of the Southern Baptist Convention.

Core Competencies

To equip students to serve the Church and fulfill the Great Commission, the Southeastern Faculty builds curricula and courses, drawing upon the great tradition of Christian orthodoxy and our Baptist heritage, to develop these five core competencies in Southeastern (SEBTS) graduates:

Spiritual Formation

SEBTS graduates demonstrate the knowledge and skills necessary to pursue an authentically Christian way of life, manifested by trust in God, obedience to Christ's commands, and love of God and neighbor.

Biblical Exposition

SEBTS graduates demonstrate the ability to properly and effectively interpret, apply, and communicate the Scriptures.

Theological Integration

SEBTS graduates demonstrate the ability to understand and apply the doctrines of Christianity to life and ministry.

Ministry Preparation

SEBTS graduates demonstrate the knowledge, skills, and Christian disposition necessary for ministry and leadership in the church and the world.

Critical Thinking & Communication

SEBTS graduates demonstrate the ability to think critically, argue persuasively, and communicate clearly.

These core competencies define the desired learning outcomes for SEBTS students, and thus guide faculty in forming their syllabi, delivering lectures, guiding classroom discussions, and evaluating students.

Confession and Articles of Faith

Southeastern Baptist Theological Seminary and Judson College at Southeastern (SEBTS) affirms the Bible as the authoritative Word of God and operates under the authority of Scripture as a covenant community.

SEBTS identifies with and is committed to the articles of faith set forth in the Abstract of Principles and the Baptist Faith & Message 2000.

The Abstract of Principles has served as a guiding document since the founding of SEBTS, and in April 2001, Trustees revised the institutional bylaws to include the 2000 revision of the Baptist Faith and Message along with the Abstract Principles as the official articles of faith of the school. Trustees stated, and the Southeastern Faculty concurred, that they did not consider the two documents to be in any essential conflict. In May 2001, the existing Southeastern Faculty voluntarily and publicly signed the Baptist Faith and Message in Chapel. New faculty members sign both documents at the first convocation following their election.

In addition to the Articles of Faith, SEBTS further subscribes to documents that clarify beliefs on critical issues of the day. The Chicago Statement on Biblical Inerrancy reflects SEBTS's commitment to biblical authority. The Danvers Statement addresses the issue of biblical manhood and womanhood.

The Statements were affirmed by the leadership of SEBTS in April 2004 not as additional articles of faith to be signed by faculty, but as faculty guidelines, as a testimony to SEBTS's constituency, and as an additional set of institutional identity statements. Professors believe and teach in accord with these confessional articles of faith and affirmed statements; students are not required to affirm them.

Institutional Centers

Center for Great Commission Studies

The Lewis A. Drummond Center for Great Commission Studies (CGCS) is the missionary hub of Southeastern Seminary. The CGCS serves the SEBTS community in three major areas: mobilizing students for an array of Great Commission pathways, researching the most pressing missions questions today, and maintaining healthy relationships with our convention partners for Great Commission sending.

The CGCS is for every student on campus. Equipping students to fulfill the Great Commission is core to Southeastern's mission, and the CGCS serves as the primary point for actualizing that aspect of the school mission for both International and North American missions. The CGCS hosts conferences, meals, conversations, seminars, and other events throughout the year in order to equip and network our students as they seek to GO proclaim the good news among the nations, both overseas and across the street. The CGCS also produces a podcast ([The Sent Life](#)) that is an ongoing conversation about living in partnership with our missionary God.

Additional information about the CGCS can be found online at thecgcs.org, or you can contact the CGCS at (919) 761-2230.

Center for Faith & Culture

The L. Russ Bush Center for Faith and Culture (CFC) exists to equip ministry leaders to advance the way of Christ in all of culture. We do this through mentorship, podcasts, written content, church partnerships, and events, the CFC strategically engages the most pressing spheres of culture in order to equip ministry leaders with an awareness, posture, and approach to the world that is both wise and Christ-honoring.

Additional information about the CFC can be found at cfc.sebts.edu, or you can contact the CFC at (919) 761-2190.

Center for Preaching and Pastoral Leadership

The Center for Preaching and Pastoral Leadership (CPPL) exists to equip and encourage pastors to lead healthy, disciple-making churches for the glory of God around the world. It is our desire the CPPL would serve as an intentional bridge between the seminary and the local church by providing helpful resources to current and future church leaders.

In addition to providing valuable resources, the CPPL also hosts events throughout the year and produces a podcast ([Pastor Matters](#)) that addresses various topics church leaders face in everyday ministry.

Additional information can be found at pastorscenter.org, or you can contact them at (919) 761-2815.

Center for Biblical Text and Translation

The Caskey Center for Biblical Text and Translation exists to improve the quality of editions of the Christian Scriptures in the original languages and to ensure the accuracy and clarity of Bible translations worldwide.

A limited number of Research Associate positions are available to residential PhD students in Biblical Studies, Old Testament, or New Testament. These opportunities are announced on the Center's website as openings arise. The CBTT also sponsors the *Biblical Languages for Everyone* student group, as well as the biennial Page Lectures.

Additional information can be found at ccbtt.sebts.edu.

Institutional Services

Campus Security

Southeastern Baptist Theological Seminary's and Judson College at Southeastern (SEBTS) security officers are on duty 24 hours a day. Security officers make rounds of campus buildings and housing. SEBTS also has an excellent relationship with the Wake Forest Police Department, which regularly patrols seminary property. Although night watchmen are employed to maintain security, precautions should be taken to prevent losses from cars, rooms, and apartments. Comprehensive insurance on automobiles and personal property is recommended. Local insurance agents can handle any questions concerning renter's insurance or automobile insurance.

In case of theft, contact the Wake Forest Police Department at (919) 554-6150 and SEBTS Security at (919) 291-1903. In case of an emergency, dial 911. However, Campus Security will respond to needs such as safety, lock-out, maintenance, etc. Campus Security may be contacted anytime at (919) 291-1903 or via email at campussecurity@sebts.edu.

Emergency Messages & Alerts

Emergency Messages may be transmitted to students by way of Campus Security at (919) 761-2206. An emergency is defined as a death of a family member, an accident involving a family member, or a crisis situation requiring immediate attention. An effort to contact the needed person will be made only if that person can be located by class schedule or other efforts.

Parking

SEBTS's parking system is designed to provide as many students as possible with adequate parking for attending classes and using the buildings. Color coded signs are posted at every parking area to help facilitate the parking demand and students should park only in proper areas to avoid parking tickets. Visitors are welcomed on campus and are asked to respect the parking regulations.

Vehicle changes or parking questions may be sent to mlawson@sebts.edu. Information regarding automobile registration, parking violations, fines, and assignments can be found at sebts.edu/portal/parking-policies.aspx.

Disability Resources

The SEBTS Disability Resources Office exists to provide students with disabilities equal access to being equipped to serve the Church and fulfill the Great Commission. We are committed to advocating for students with disabilities and providing reasonable accommodations for their academic and physical flourishing. SEBTS does not discriminate on the basis of race, color, ancestry, religion, age, sex, national origin, pregnancy or childbirth, disability or military veteran status. In compliance with Section 503 and 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA, as amended 2008), the institution will make reasonable accommodations to ensure equal opportunity and access for qualified students to applicable programs, services, activities, and facilities.

Students with disabilities are expected to master the fundamental skills and knowledge that are required for their course of study. Students should not expect SEBTS to excuse them from class requirements, nor to provide unreasonable accommodations but rather should take the necessary steps to ensure that they are getting the help they need to enable them to meet the program's requirements.

Additional information regarding qualifications, accommodations, and registration for disability services can be found at sebts.edu/community-life/disability-services.aspx and in [Appendix A: Applying for Disability Services](#) or by calling the Dean of Students Office at (919) 761-2306.

Personal Assistance and the use of Personal Care Attendants (PCA)

SEBTS recognizes that the use of Personal Care Attendants (PCAs) may be an integral part of some students' abilities to participate in the SEBTS experience. SEBTS does not provide PCA services and is not responsible or liable for any consequences resulting from a student's association with a PCA. Nevertheless, a student is free to hire their own PCA. In some cases, a liaison may be appointed by the Dean of Students or Associate Vice President of Student Life on a short-term provisional basis to help accommodate a student with certain types of disabilities as they transition into their SEBTS experience. Any student needing a PCA may obtain an accommodation letter to present to the housing office as well as the faculty that the student will be accompanied by a PCA in the classroom and for all classroom related activities.

Additional information regarding PCAs can be found in [Appendix A](#).

Service and Emotional Support Assistance Animal

According to the ADA, "service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities." Students with disabilities can be accompanied by a service dog on campus where members of the public or participants in services, programs, or activities are allowed to go. For a student to have a service or emotional support assistance animal, the student must register through the Dean of Students Office. If a student wishes to keep their service or emotional support assistance animal in campus housing, the student must register the animal through the requirements of the Housing Office.

For more information on definitions, registration, documentation, and responsibilities and procedures for service or emotional support animals, please see [Appendix B: Service and Emotional Support Assistance Animal Policies](#).

Health & Wellness Services

Counseling Services

Students desiring to seek counseling may contact the Dean of Students Office for referral to outside agencies, to our counseling office, or to any SEBTS counseling professors who either conduct counseling sessions personally or recommend other counseling services. For more information regarding counseling services, please call the Counseling Office at (919) 761-2304 or email counselingservices@sebts.edu.

Health Center

SEBTS offers an on-campus Health Center directed by a physician for students, faculty, and staff as well as their families. The Health Center also offers massage therapy and chiropractic services. The Health Center is located on Rock Springs Road across from Wake Forest High School.

For physician services, please call (919) 569-0003 to make an appointment.

For massage therapy, call (919) 530-0789 or go to massagebook.com/Wake_Forest~Massage~stm-at-SEBTS to make an appointment with Strategic Therapeutics Massage Inc. (STM). To learn more about STM's services and mission, please visit: strategictherapeuticsmassage.com.

For chiropractic services, go to thrivewellchiro.janeapp.com to make an appointment.

Additional information for any of the Health Center's services can be found at sebts.edu/community-life/health-services.aspx.

The Share Shop

The Share Shop strives to support the mission of SEBTS by supplying necessary clothing and household goods at no cost to our seminary community (students, staff, faculty, alumni) and their families. The Share Shop functions solely through the volunteer efforts of our SEBTS community and provides opportunity for equipping students to serve the church and fulfil the Great Commission through mentoring and discipling faculty wives, students, and staff to serve together.

Acceptable donations of in-season clothing, shoes, non-perishable or canned food (unopened with non-expired date), household supplies or décor (linens, curtains, small appliances), toys, games, sporting goods, baby or nursing mother items, books or media in good to excellent condition.

The Share Shop is located at 100/102 Hipps Drive (across Stadium Drive from campus and behind the Health Center/adjacent to Wake Forest High School). Additional information for the Share Shop can be found at sebts.edu/community-life/student-life/share-shop or you can contact the Share Shop at shareshop@sebts.edu.

Housing

The Housing Office at Southeastern Baptist Theological Seminary seeks to provide affordable, safe, and comfortable housing for those who come to prepare for Christian ministry throughout the world. Living at Southeastern, you will have the opportunity to meet and to share in the lives of the many other people whom God has assembled in this place.

Southeastern offers a variety of housing options to service our seminary community. Housing is available to all students or households enrolled in a minimum of six term hours. Commuter and missionary housing are also available to students and families who may need short-term accommodations to attend hybrid or intensive class meetings.

For repairs and maintenance:

Call the Housing and Facilities Office at 919-761-2400.

Email Facilities at fmo@sebts.edu.

For after-hours emergencies:

Call the Facilities On-Call line at 919-369-1781.

For further explanation of housing policies and housing options, please reference [Appendix D: Housing Policy](#) or visit sebts.edu/community-life/housing/default.aspx.

Community Life

Mission

The two greatest commandments are to love the Lord our God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. Southeastern Baptist Theological Seminary and Judson College at Southeastern (SEBTS) is dedicated to producing a community life that works out these loves by worshipping the Lord and facilitating spiritual and academic growth in others.

Spiritual Formation

According to Scripture, spiritual formation occurs within the local church and through the communion of the saints. SEBTS students and their families are expected to regularly attend a local church and SEBTS Chapel.

Local Church Involvement

No Christian should be separated from the community life of the local church. While not wanting to specify in detail how any particular family participates in their local congregation, a good rule of thumb would be attending both the corporate worship and some form of small group (Sunday school, etc.) 9 out of every 10 weeks, if not more. Students receiving the Southern Baptist student-discount are required to be a member of a Southern Baptist church and be in regular attendance.

Chapel

Chapel forms the center of community life at SEBTS. Each week, students join for a time of worship in Binkley Chapel from 10:30 to 11:30 a.m. on Tuesday and Thursday. Occasionally there are special Friday services for visiting Hybrid students, which are noted on the Chapel schedule at sebts.edu/news-and-events/chapel/default.aspx.

Chapel is an important component of spiritual life and discipline. Faithful attendance, even on those days when we might not be inclined to come, builds a wise Christian habit that will honor God and strengthen our walk with Christ.

Chapel attendance is expected for three reasons:

1. Students get to sit under the preaching and teaching of gifted pastors, evangelists, missionaries, professors, public servants, and fellow students.
2. The Chapel hour serves as the central point of gathering for the SEBTS community. Not only do students, staff, and faculty worship together as a community, it is also the place and time where the ideas, events, and passions of SEBTS are most clearly communicated.
3. Chapel serves as a discipleship tool whereby the seminary leadership seeks to model excellence in the format and content of various forms and styles of corporate worship.

To support and facilitate these goals, all administrative offices are closed during Chapel services, including the Library and the Ledford Student Center, and the chapel services are live streamed and recorded. All SEBTS students, their families, and members of the surrounding community are welcome and encouraged to attend.

Who is required to attend?

Both Undergraduate and Graduate students (including Distance Learning students) are required to attend. The following categories are exempt:

1. Advanced degree students (Th.M., D.Min., Ed.D., and Ph.D.)
2. Certificate students
3. Biblical Women's Institute students
4. Associate of Arts students
5. High school students
6. Non-degree seeking, credit only, students

What is an ideal level of participation in Chapel each semester?

While full Chapel attendance is required for our students, we recognize that circumstances and situations beyond our control can occasionally preclude full attendance. Thus, the following guidelines should work as a standard that demonstrates a student's attempt to fulfill the spirit of the requirement and honor both the Lord and the [Covenant](#) that each student enters when he or she attends either Southeastern Baptist Theological Seminary or Judson College at Southeastern.

Attendance Requirements

On-campus students are expected to attend Chapel in person. If you are an on-campus student with extenuating circumstances, you may set up an appointment with the Dean of Students or another Student Life Division Official to request permission to attend Chapel via livestream. You may contact the Dean of Students Office by calling (919) 761-2306 or by emailing wbowers@sebts.edu.

Commuting students are strongly encouraged to attend Chapel in person. We ask that you make every attempt to order your schedule to make this possible. However, if your schedule throughout your time as a student does not allow for in-person attendance, you do have the option attend Chapel services via livestream.

Distance Learning students are strongly encouraged to attend Chapel via livestream. We ask that you make every attempt to order your schedule to make this possible. However, if your schedule throughout your time as a student does not allow for attendance via livestream, you do have the option to listen to recorded Chapels online.

NOTE: Unless you are considered a Distance Learning student, you must secure permission to listen to recorded Chapels online from the Dean of Students or a Student Life Division Official, whom you may contact by calling (919) 761-2306 or emailing wbowers@sebts.edu.

Requirement for attending in person or via livestream: 20 Chapels per semester.

Requirement for listening online to recorded Chapels: 25 Chapels per semester.

Student Life Division

The Student Life Division of SEBTS exists to help students live out a life of worship and to equip students to serve the Church and fulfill the Great Commission by providing co-curricular services, activities, and programs that facilitate and catalyze the equipping of our students to be and make disciples.

For information regarding these services please contact the Dean of Students Office at (919) 761-2306 or wbowers@sebts.edu.

Graduate Life and College Life

Graduate Life and College Life are devoted to comprehensive activities and programs which provide opportunities for all members of the SEBTS family. Specific activities are designed to promote physical health, social development, and personal growth, as well as fun, community, and fellowship. Announcements of specific events and programs are communicated through various campus social media outlets. Ledford Student Center guidelines can be found in the following pages and its programs are coordinated through the Graduate Life and College Life Office (919) 761-2305.

The College House System

The College House System is specifically for Judson College at Southeastern and operates within the Student Life Office. The purpose of the College House System is to glorify the Lord Jesus Christ by equipping students to serve the Church and fulfill the Great Commission by cultivating student communities that foster Great Commission living, academic excellence, community identity, and enduring friendships.

Involvement in the College House System shapes virtually every aspect of our student experience. The Houses are led by students and are driven by our mission to equip students to serve the Church and fulfill the Great Commission. Students will build close friendships, grow spiritually, academically, and have plenty of fun!

The House Leadership team serves to help build community, provide opportunities to get connected, be a resource, and aid in the academic, spiritual, and personal growth of their fellow students.

SEBTS will not tolerate any form of hazing. For more information see [Appendix C: Hazing Policy](#).

For more information about how the House system affects campus housing, see [Appendix D: Housing Policy](#).

Intramurals

The SEBTS Intramural Department seeks to promote spiritual formation, physical fitness, and community fellowship through physical activity and competition - all with the goal of equipping students to serve the church and fulfill the Great Commission.

Additional information can be found at sebts.edu/community-life/student-life/intramurals.aspx.

Events

The Student Activities and Discipleship Office works hard to create a mission oriented, others focused, and light-hearted community atmosphere that facilitates the accomplishment of our institutional mission. To this end the Student Life division hosts many events throughout the semester. For a listing of events or additional information please consult our campus website aroundsoutheastern.com or contact the Dean of Students office at 919-761-2306.

Student Activity Groups

Student Activity Groups are groups of students who come together under the authority of Southeastern for a common purpose. These groups seek to utilize their skills and interests to glorify the Lord Jesus Christ by equipping students to serve the church and fulfill the Great Commission.

Additional information can be found at aroundsoutheastern.com/index.php/resources/student-activity-groups.

Financial Aid & Student Resources

The Student Resources and Financial Aid office serves students as they pursue financial assistance, which can include institutional aid, government grants, external scholarships, military benefits, and private student loans. Students seeking financial aid should complete the Institutional Financial Aid Application as well as apply for as many other scholarships for which they are eligible. Institutional scholarship awards are committee-recommended and are based on a variety of parameters such as need, merit, donor specifications, consideration of other awarded aid, and availability of funds.

Additional information can be found at sebts.edu/admissions-and-aid/student-resources/default.aspx.

Ministry to Men

Student Life seeks to help the men of SEBTS understand biblical manhood, embody biblical expressions of manliness, and engage both the church and the world as men of strong faith, hope, and love. As such we offer various forms of mentorship, events, and programs to facilitate this purpose in full alignment with the mission statements of the seminary and the college.

Events will be posted on aroundsoutheastern.com.

Integrity Groups

Ephesians 5:3 tells us that “sexual immorality and all impurity or covetousness must not even be named among you, as is proper among saints.” Therefore, the Student Life Office, in conjunction with the local church, provides particular care services for men and women who are struggling to fight both particular sin choices as well as character patterns related to our sexual choices. Integrity Groups are specifically designed to help men and women not only receive accountability in this vital area of Christian discipleship, but desire transformation and ultimately ministry skills to help others who struggle. Along with other one-on-one care and counseling services, integrity groups are intended to help students to flourish during their time at SEBTS and serve the church with pure hearts throughout their life (Matt. 5:8).

Please contact Matt Koser (mkoser@sebts.edu) for more information.

Women Around Southeastern

Our ministry to the women who are a part of the Southeastern family is called Women Around Southeastern. The mission of this ministry is to cultivate teachable, theological, and missional women who are empowered to seek out and accomplish God's calling on their lives, to faithfully make disciples, and to fulfill the Great Commission. The purpose and passion of this ministry is to see every woman affiliated with SEBTS join together in all our beautiful diversity and unite under our common goals to glorify God, serve His church, and fulfill the Great Commission. This is achieved through community Bible studies, discipleship opportunities, and numerous engaging events.

For more information on any of these initiatives please contact us by email at womenaroundse@sebts.edu. Additional information can be found at sebts.edu/community-life/student-life/womenslife and womenaroundse.com.

Student Excursions

SEBTS regularly sponsors off-campus trips for ministry training and academic credit. Students also initiate occasional trips, but in order to be officially associated with SEBTS, approval of the Provost and the Vice President of Student Life is required. The three primary types of SEBTS-sponsored excursions are mission trips, Holy Land trips, and conferences. Student behavior during such travel opportunities is required to be consistent with both the purpose of the trip and the established policies of the SEBTS. For example, if the purpose of the excursion is mission work, students will always be available to do mission work. If the purpose of the excursion is attendance of a conference and/or seminars, students will attend all such meetings.

While on mission trips, students are expected to continue to comply with the standards of the [Southeastern Covenant](#) as well as the conduct and dress that are appropriate for Christians in the particular culture in which they are serving. Students are also expected to sign any waivers that are applicable to their work and travel.

All SEBTS-sponsored excursions will be accompanied by a member of the faculty or administration of the SEBTS. When such trips are for academic credit, students are responsible to meet the academic requirements specified by the supervising professor.

Honor and Integrity

Scripture tells us plainly that in whatever we do, whether we eat or drink, in our words or deeds we are to do all things for the glory of God (I Corinthians 10:31, Colossians 3:17), and our conduct should serve as a witness to the Gospel. This means that we aggressively pursue conformity to Christ in all aspects of our character. Thus, we desire to live before God and society as a community whose conduct and reputation serve as a witness to the glory of God in the Gospel of Jesus Christ in all we do.

We believe the following standards would thrill the heart of God and serve the mission of Southeastern Baptist Theological Seminary and Judson College at Southeastern (SEBTS). Therefore, every SEBTS student must sign the [Southeastern Covenant](#) and abide by these standards. It should also be noted that these standards for financial, academic, and moral honor and integrity apply to all students during and between semesters (summer, fall, Christmas, and spring breaks as well as any semester a student may decide not to take classes but remain enrolled as a student).

Because Scripture teaches us that we are to seek one another's growth as well as restore one another when we stumble (Heb. 10:24, Gal. 6:1), as a community of honor it is the responsibility of every student not only to abide by the [Covenant](#) with honor and integrity but to protect the honor and integrity of the entire community. Therefore, anyone witnessing conduct contrary to these standards has a responsibility to inform the appropriate SEBTS personnel (school official, faculty member, etc.). The witness and/or the appropriate SEBTS personnel also has the responsibility to inform the Dean of Students Office of the infraction so that the appropriate policies and procedures can be carried out.

Student Discipline

While we hope that each member of the SEBTS community will experience consistent growth in Christlikeness, the reality is that all of us are sinners, and at times, the way we stray requires intervention from the institution's leadership. As is the case with church discipline, the confrontation and correction of a student is always initiated for the purpose of restoring that individual to a proper relationship with the Lord and, as appropriate, the entire body of Christ of which each of us is a member. Such confrontation and correction also seeks to maintain a proper witness of both individuals and the body of Christ as a whole to a watching world. In keeping with this desire, and because each student has entered into a covenant with SEBTS as an institution and community, confrontation and correction are meant to not only restore individuals but also to honor and protect the character and stated purposes of the SEBTS institution as a whole. The Dean of Students Office will retain records of student violations and discipline.

Discipline Process

Once an infraction has been reported to the Dean of Students Office regarding an active student, the Dean of Students will issue a reprimand and, if necessary, place the student on probation, suspension, or expulsion as deemed appropriate to each case. SEBTS reserves the rights to request or require student withdrawal. Student withdrawal can be either requested or required.

Discipline Appeals

Any student who feels he or she has been unjustly issued a decision and letter of disciplinary action related to institutional status (e.g., probation, suspension, etc.) has a maximum of 15 business days from the date of ruling to appeal the decision to the institution. The appeal must be made in writing and must be submitted directly to the Dean of Students Office by the end of the 15th business day following the date of ruling.

If the Dean of Students issued the ruling, or if the student is not satisfied with the Dean of Student's original ruling, the student may then appeal in writing to the President's Office (per the 15-day policy above). The President himself then may (1) make a decision regarding the matter, (2) seek the advice of the Cabinet, or (3) appoint a committee to hear the appeal of the student. In any of these three avenues of ruling, the President has full authority to act as he deems most appropriate. Any decision made by the President, Cabinet, or appointed committee at this level is final.

If the President chooses to appoint a Student Disciplinary Committee, it will be comprised of the Associate Vice President of Student Life (who will serve as Chairman), two faculty members, two staff members, and two students. The committee will listen to the testimony of the student and the administration. After considering the facts and the welfare of the student, the committee will recommend to the President whether to uphold previous disciplinary decisions or to propose a new course of action. The administration will consider the committee's recommendation, plus any new facts that may have come to light, and the President and/or Dean of Students will notify the student and the committee in writing of the administration's final decision.

Title IX appeals follow a different process. For more information, please refer to the [SEBTS Title IX Policy document](#).

Discipline for Criminal Infractions

Students involved in criminal infractions are accountable to legal/judicial authorities and will also be subject to discipline by SEBTS, which in most cases will include eviction from campus housing. Prompt and decisive disciplinary action is required in cases which involve criminal behavior. Therefore, the President or the Dean of Students may (and likely will) issue an immediate suspension to the student (or students) charged with a criminal offense pending a full investigation of the matter. The intention of SEBTS in such situations is to encourage the student(s) to honor the civil authorities in an appropriate manner by taking time away from SEBTS-related activities and focus on resolving whatever legal issues are at hand. In such cases, students will only be allowed to resume classes upon a successful interview with SEBTS administration.

Definitions of Disciplinary Actions

Active Student

An active student is a student who has been admitted to SEBTS and has neither completed his or her degree program nor gone one full calendar year since taking a class at SEBTS.

Infraction

An infraction is any action or on-going practice unbecoming of a SEBTS student. Such actions include the violation of the personal or property rights of others and any behavior which is not acceptable in the SEBTS community.

Reprimand

A reprimand is an official correction of an infraction with an encouragement to demonstrate repentance. This action may or may not require a probationary period. Decisions containing conditions of continued or future enrollment may be held in a student's academic record until such conditions are met. If the infraction was committed in private and affected only a few individuals, a reprimand may occur in private. If the action committed affected many people publicly, then the reprimand may occur publicly.

Probation

Probation is an official warning that continuation, repetition, or perpetration of an infraction will likely result in suspension or expulsion. As a minimum, the probationary period will last for both the remainder of the enforced semester and the entire following semester.

Requested Withdrawal

Requested withdrawal is the right of SEBTS to request that a student separate themselves from the degree program. It is suitable in instances where an infraction has threatened either the student's development into a potential minister or the community fellowship, but culpable deportment has not been established. Withdrawal does not imply the assessment of guilt and, therefore, is normally a private matter. Withdrawal will be for a specified period and will normally carry stipulations regarding readmission.

Required Withdrawal

Required withdrawal is the right of SEBTS to require that a student be separated from the degree program until the time that the student may become eligible for continued participation as a student at SEBTS. Required withdrawal is suitable in instances where conduct inhibits the student's development into a potential minister or prevents community fellowship. In such instances, if a student becomes eligible again, they must follow normal re-enrollment procedures and requirements for admission consideration. Eligibility does not assume automatic re-enrollment into a student's degree program at SEBTS.

Suspension

Suspension is the right of the institution to require that a student be separated from the institution for a specified period. Suspension is suitable in instances where questionable behavior has threatened the development of the student as a potential minister or threatened the community fellowship. In all cases of requested withdrawal or suspension, fulfillment of the discipline only insures eligibility to be considered for readmission following standard SEBTS readmission policies.

Expulsion

Expulsion is warranted in instances where there are several repeated infractions, flagrant violation(s) of a disciplinary contract, or where the initial infractions in a case reflect civil or criminal offenses, or flagrant violations of institutional standards. In the case where an expulsion is enforced, the decision is considered both permanent and final and will also become a part of the student's permanent record.

Behavior Subject to Discipline

The following are examples of unacceptable conduct in the SEBTS community and are subject to disciplinary action but are not necessarily exhaustive:

1. Academic misconduct such as plagiarism or cheating (c.f. [Cheating & Plagiarism](#)).
2. Any consumption of alcoholic beverages while matriculated as a student at SEBTS (college and/or seminary), on or off campus – including campus housing (c.f. [Appendix E: Drug and Alcohol Prevention Policy](#)).
3. Use, consumption, or possession of illegal drugs or controlled substances and flagrant misuse of prescription drugs.
4. The use of tobacco, e-cigarettes, vapes, marijuana, any form of CBD product (including oils, edibles, etc.) containing more than 0.3% of THC, and other mind-altering substances. NOTE: While we recognize there is a difference between hemp, CBD, and marijuana products, due to the lack of regulation and lack of conclusive scientific data regarding the nature of all such products, the use of hemp and/or CBD products of *all types* is strongly discouraged.
5. Possession of firearms and/or other weapons on campus property or housing facilities (c.f. [Appendix F: Firearms & Weapons Policy](#)).
6. Neglect of personal financial obligations.
7. Giving false information or altering records.
8. Theft, intentional abuse, or destruction of personal or SEBTS property.
9. Neglect, disregard, or breach of established SEBTS policies which govern the use of school property or facilities.
10. Behavior (verbal, physical, emotional) which is demeaning, harassing, intimidating, controlling, manipulative, or abusive of another person; and behavior that is profane or vulgar.
11. Disrespect or abuse directed toward any faculty member, school administrator, or staff person.
12. Sexual misconduct which violates the image of God and the sanctity of the marriage covenant (c.f. [Commitment to Sexual Holiness and Integrity](#)).
13. Disruption of Marriage (c.f. [Divorce Policy](#)).
14. Immodesty (c.f. [Modesty](#)).
15. Neglect of church involvement (c.f. [Local Church Involvement](#)).

Financial Honor and Integrity

Students are expected to maintain a diligent watch over their financial responsibilities to SEBTS. Actions concerning financial matters, including how bills are paid, reflect on the student's Christian testimony. Biblical stewardship of property and resources is expected. Financial malfeasance cannot be tolerated, such as neglect of economic obligations or gambling.

Respect for private and public property precludes theft or vandalism. In compliance with the Higher Education Opportunity Act, specifically with sections 485 and 487 of that legislation, SEBTS strictly forbids the unauthorized duplication, use, and/or distribution of copyrighted materials, including music and video files, through peer-to-peer file sharing on the SEBTS network. These actions expose the student to consequential civil and criminal liabilities. For more information, see [Appendix G: Peer-to-Peer File Sharing](#).

Academic Honor and Integrity

Students in attendance at SEBTS are expected to maintain high standards of academic integrity appropriate to a Christian lifestyle. Plagiarism and cheating in any form will not be tolerated. Integrity requires that the Christian student conduct him or herself according to the highest academic standards.

Cheating & Plagiarism

What is cheating?

Cheating involves either the dishonest act of gaining an academic edge on other students or providing such an edge to others. As such, cheating breaks several of God's commandments. It is most clearly a form of stealing (8th commandment), but also involves dishonoring the name of God (3rd), disrespecting authority (5th), bearing false witness (9th), coveting (10th), and most likely is a fruit of making an idol of grades (2nd). For this reason, any and all acts of academic dishonesty are considered to be of the utmost seriousness and will be dealt with accordingly. The following are examples of dishonesty related to academic integrity.

1. Unauthorized possession of or distributing of academic materials, which encompasses the unauthorized possession of or provision of papers, quizzes, examinations, and/or any other academic work. This includes providing or accepting any information from completed assignments, papers, quizzes, and/or exams that a faculty member did not authorize for the student to release.
2. Dishonesty includes lying, whether by omission or commission, in written or verbal interactions and assignments, in dealings with SEBTS staff, and in a student's academic work.
 - a. Faking illness to avoid an exam.
 - b. Any use of notes or book during a closed-note/book quiz/exam.
 - c. Providing another student answers during an exam or providing information and/or materials to another student prior to his make-up quiz or exam.
 - d. Copying from another student's exam.
 - e. Providing or accepting information on assignments, quizzes, or exam to or from another student when not authorized by SEBTS.
 - f. Illicit collaboration on homework, assignments, quizzes and/or take-home exams.
 - g. Submission of the same paper to another class without permission.
 - h. Writing papers or completing assignments in any form for other students.
 - i. Submitting a tutor's or other resource's work as one's own.
 - j. Any other behavior that would generally be considered dishonest by reasonable individuals
3. Failure to report others for cheating, plagiarizing, or any other form of academic dishonesty.

What is plagiarism?

Plagiarism is a failure to distinguish between the work of the student and the work of others, either intentionally or unintentionally. Plagiarism is stealing from the author and usually some form of defrauding a neighbor. Professors

assign specific writing assignments, so students can grow in their ability to evaluate, synthesize, and create content. Students who plagiarize someone else's content willfully dismiss the intended learning outcome. Unintentional forms of plagiarism are subject to the same standards of intentional plagiarism. The responsibility is on the student to learn and carefully avoid any form of plagiarism. Plagiarism can be committed in a number of ways, five of which are high-lighted here:

1. Quoting one or more sentences verbatim without proper citation. This is the most obvious form of plagiarism. In addition, using unattributed direct quotations is a violation of US copyright law. Electronically cutting and pasting is easy to do, so it presents a definite temptation—especially if a deadline for an assignment is looming. Copying and pasting from electronic sources is acceptable, however, ONLY if the source's work is clearly cited and the entire section copied is identified.
2. Presenting the thoughts or ideas of another (including content generated by Artificial Intelligence) without proper attribution. Many students fail to realize that this practice is also plagiarism even if a student writes the summary himself. If one para-phrases the work of another, then he must give a proper citation.
3. Borrowing without proper citation such things as an outline, an idea, or an approach to dealing with a problem that is unique to an author. This type of plagiarism often results from poor note-taking on the part of the student.
4. Using improper methods of citation. The student is responsible for learning the appropriate rules for citing sources and for following those rules throughout the paper. Ignorance of the rules of citation is not an excuse.
5. Self-plagiarism: In no case may a student merely copy and paste any material from one paper to another [including his or her own previously submitted work] *without the prior written permission of the instructor*. [This means that a student may not “recycle” a previously submitted paper or any portions thereof.] In the rare case when a student is given permission to use his or her own scholarly work in subsequent research, the student must still cite his or her previous coursework as an unpublished paper. Failure to follow these guidelines constitutes plagiarism, and all appropriate consequences apply.

For other definitions of plagiarism and ways to avoid it, see [Robert A. Harris, *The Plagiarism Handbook: Strategies for Preventing, Detecting, and Dealing with Plagiarism* \(Los Angeles, CA: Pyczak Publishing, 2001\)](#). Finally, when in doubt, cite your work!

Discipline for Cheating and Plagiarism

The professor has complete discretion to fail the student for the assignment or the entire class, and will then notify the student, the Academic Dean, and the Dean of Students of the decision, along with submitting copies of the documents in question. If plagiarism or any other form of cheating is the infraction, the student will be notified by letter that he or she is required to filter all subsequent writing assignments (the entire assignment) that require research and citations through the SEBTS Writing Center before turning them in for a grade. This policy remains effective for as long as the student remains on probation.

Visitation to the Writing Center is confirmed by an official “stamp” on the student's paper before turning it in to the professor. Instead of a stamp, Distance Learning students may forward their email correspondence and paper comments from the Writing Center to the professor to confirm proper procedure. Students that incur the Writing Center requirement should be certain to give themselves and the Writing Center appropriate time to review the paper (usually one to two weeks or more before the paper is due). Should another form of plagiarism or cheating occur, the student in question will immediately fail the class and face a minimum six-month suspension, with a strong possibility of expulsion.

All the material included in the student's M.A. or Th.M. research project, thesis, or summative evaluation must be original with the student (unless properly footnoted), previously unpublished, and may not have been used in previously taken classes (unless permission is given by the student's Major Professor). Plagiarism (i.e. failing to give proper credit for material not the student's own) or cheating will result in immediate expulsion from the program (if detected prior to graduation) or in withdrawal of the M.A. or Th.M. degree (if detected subsequent to graduation) with no opportunity given for re-application or re-entry into the program.

In cases where a student has been charged by a professor with cheating or plagiarism, the student has seven (7) business days (from the date of charge) to appeal the charge to the professor. Once the professor has made and informed the student of a final decision, the student may appeal to the appropriate Associate Academic Dean (College or Graduate) or Program Director (Th.M. and doctoral). The appropriate Dean or Director then notifies the Dean of Students once a decision of both the charge and subsequent grade or class status is made. The Dean of Students Office then will make a subsequent ruling regarding the student's institutional status, which will be regarding institutional status *only* and will not be in review of any previous decision made by the relevant professor(s) or academic dean(s).

Moral Honor and Integrity

Commitment to Sexual Holiness and Integrity

SEBTS is committed to an approach to sexuality and moral godliness that is reflective of God's creative purposes and His desire to see all humans flourish under his good and loving instruction. Every student attending the institution is expected to strive for holiness, and we desire to partner with you in that good fight. In keeping with our mission, it is also important for students to recognize the serious nature of God's design and desire for holiness in these vital areas of human life. Thus, students must recognize that violations of this commitment to sexual holiness and integrity may result in immediate suspension or expulsion.

Our Beliefs

We affirm the following statements from the Baptist Faith and Message 2000 (BF&M 2000) which read:

“Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God's creation” (BF&M 2000, III).

“Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race” (BF&M 2000, XVIII).

God's design for human beings in creation is two distinct and complementary sexes, male and female. There are, therefore, two – and only two – distinct genders directly corresponding to the two distinct biological, genetic/chromosomal sexes: male and female. We recognize that different people experience dysphoria or desires to manifest their sexuality in ways contrary to this binary. However, our experiences must come under the authority of God's created design which is revealed in the Scriptures and affirmed in the natural order. Further, marriage between one man and one woman is the only right and good context for sexual expression.

Consistent with our desire to teach and model a biblical approach to sex, SEBTS prohibits the practice or any form of private or public advocacy for the idea that sex outside of a biblically defined marriage is morally acceptable (including the affirmation or participation in same-sex or transgendered dating or marriage advocacy, participation, and/or other related behaviors).

Sexual Conduct Policy

Based on these affirmations, we believe that premarital sex, extramarital sex, homosexual activity, and transgendered behaviors violate clear biblical teaching on sexual purity (Gen. 1:26-28; Gen. 2:15-25; Rom. 1:26-27; 1 Cor. 6:18-20; Gal. 5:19-21; Eph. 5:3; Col. 3:5-6). Therefore, behavior inconsistent with these Biblical standards contradicts the values of our covenant community and is prohibited even when consensual.

Sexual intercourse and many of the intimate acts leading up to it are reserved exclusively for the context of a biblically defined marriage between one man and one woman (Gen. 2:21–23; Matt. 19:4–6). Sexual activities outside of this context, including sexual intercourse, oral sex, and other intimate forms of touching genitalia, are prohibited outside of the marriage covenant.

Pornography Policy

Viewing, possession, purchase, or distribution of any pornographic materials in any form (magazines, photos, text messages, games, computer games, Web sites, etc.) is expressly forbidden. Our desire is that our community be recognized by the spirit and practice of the teaching of Paul in Ephesians 5:1-3 “Be imitators of God, therefore, as dearly loved children and live a life of love, just as Christ loved us and gave himself up for us as a fragrant offering and sacrifice to God. But among you there must not be even a hint of sexual immorality, or of any kind of impurity, or of greed, because these are improper for God’s holy people.”

Students are prohibited from accessing pornographic or obscene websites or creating links to such sites. SEBTS regularly conducts scans of all Internet activity to ensure that members of the SEBTS community are not using institutional computers or networks to access this type of material.

Guidelines for Sexual Holiness

Students face all types of sexual temptation. So, we encourage single students to live chaste, celibate lives and married students to be faithful to their spouse and their marriage covenant. SEBTS provides the following general guidelines as examples to help shepherd students as they seek to honor our student covenant and glorify God through moral holiness:

- Public displays of affection should be limited to holding hands, a brief embrace, or a brief kiss.
- Unmarried students in romantic relationships should avoid spending extended time in a private place or location where there is not a healthy level of accountability, such as off-campus apartments or bedrooms.
- Students are expected to be aware of, and abide by, the visiting hour stipulations in their Residence Life and housing contracts.
- Students traveling together, visiting friends, staying with other families during holidays, etc. should seek at all times to guard not only their behaviors but seek to avoid even the appearance of evil (Eph. 5:3) in regard to their housing.

Modesty

Christian discussions of modesty should be motivated by – and understood in light of – the biblical principles of love for God and love for neighbor. As the Bible teaches, we should seek to honor God and worship Him well in the way we present ourselves before one another. Each of us should be willing to forgo our preferences and freedoms to maximize the growth and holiness of others. Our dress policies, therefore, do not assume bad intent on the part of any individual. Rather, these policies are meant to offer guidance on how to best love our Lord and love one another by providing general guidelines appropriate for a Christ-centered educational institution:

- Clothing should not be excessively short or revealing.
 - o For example, men must always wear shirts, should not wear midriffs, and should not wear tank tops exposing their torso (shirts should not be crop tops, see-through, or have large cut-outs). Men should not wear short-shorts (shorts should be mid-thigh length or longer), should not allow underwear to be seen, and should wear gym shorts over biking or sliding shorts.
 - o Similarly, women must wear shirts that do not expose the midriff or torso (shirts should not be crop tops, see-through, or have large cut-outs). Shirts should have at least a modest strap and should not be low-cut in the front. Likewise, women should not wear short-shorts, allow underwear or bra straps to show, and skirts/dresses should be modest in length (about two inches above the knee).
- All students wearing yoga pants, leggings, tights, etc. including when exercising are expected to also wear shorts over them or long shirts that are mid-thigh or longer.
- When wearing shorts, be mindful that your shirt must be shorter than those shorts.
- Clothing should not have slogans or images that are inconsistent with institutional values.
- Shoes should be worn in academic buildings and in Chapel.
- Sweatpants and pajama pants should not be worn to class or Chapel.

- Other than in the residence halls, shirts should be worn everywhere on campus, including the gym, fitness center, and intramural fields.
- Men are expected to remove hats before entering class and in Chapel.
- Faculty are permitted to communicate additional dress guidelines in their classes for instructional purposes that are consistent with SEBTS's standards on dress & appearance.
- When traveling on any SEBTS event or trip, students are expected to abide by SEBTS's dress & appearance standards as well as any additional guidelines that may be set forth.

Divorce Policy

True ministers of the gospel must set the standard by modeling biblical marriage. Any active student experiencing a separation, divorce, marital disruption or abuse, or an emotional affair must notify the Dean of Students and withdraw from classes for a minimum period of one academic year for the purposes of giving focused attention to the restoration and healing of the marriage relationship. The express and intended purpose of this period of withdrawal from course work is focused efforts of restoration. The student (or students) in question will need to set up an appointment to discuss the situation further with the Dean of Students so that each case can be considered on a case-by-case basis and an appropriate plan can be put in place to consider when it might be appropriate to resume taking classes. Cases that may involve spousal abuse will be given special attention and consideration.

Commitment to Safety from Sexual Harassment and Interpersonal Violence

Southeastern Baptist Theological Seminary and Judson College at Southeastern (SEBTS) strives to provide a safe living, learning, and working environment for the campus community that is free from harassment, misconduct, and discrimination. SEBTS believes that all members of our community should conduct themselves in a manner that reflects personal integrity and respect for others. In keeping with the commitment to train and equip students to glorify God while serving the local church and fulfilling the Great Commission, SEBTS does not tolerate acts of sexual harassment, interpersonal violence, sexual misconduct, and sex and/or gender-based discrimination.

SEBTS is committed to fostering a campus environment that both promotes prompt reporting of sexual discrimination, abuse, or assault in a timely, fair, and impartial adjudication of reported cases. Individuals will not be discouraged by any employee of SEBTS from reporting incidents of assault or discrimination. It is a violation of SEBTS policy to retaliate against any person making a complaint or against any person participating in the investigation of any allegation of assault or discrimination.

Sexual Harassment Defined

SEBTS defines sexual harassment as any unwelcome sexual advancement creating a hostile or offensive environment. This involves not only physical advancement and demands for sexual favors, but any behavior that is sexual in nature that creates a hostile or offensive environment. For further definitions of sexual misconduct, refer to the Title IX policy document.

Sexual Harassment Encompasses:

- Physical assaults such as rape, molestation, attempts to commit these assaults, and intentional physical conduct of sexual orientation (i.e., tickling, hugging, touching the body, brushing up against, etc.).
- Continued unwelcome offensive behavior such as sexual flirtations, advances, proposals, and comments (i.e., whistling, leering/ogling, lewd gestures/remarks, noises, suggestive language, innuendoes, sexual jokes, comments about a person's body/appearance/sexuality/sexual experience, etc.).
- Displaying or distributing any written or graphic material (i.e., posters, artwork, calendars, cartoons, literature, etc.) that is sexually suggestive, demeaning, and/or pornographic.
- Preferential treatment to an individual for submitting to conduct of a sexual orientation, including soliciting or attempting to solicit any individual to engage in sexual activity for a reward.

- Threats and demands to submit to sexual requests as a requirement to keep up their employment or academic status and/or offers job benefits/opportunities in return for sexual favors (i.e., assignment, compensation, advancement, career development, reward, etc.).

In no way should the above listed examples be considered all-inclusive, but they are intended to provide guidance as to what might constitute harassment.

Sexual Assault or Abuse

If you are a victim of a sexual assault or abuse, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The Department of Campus Security strongly advocates that a victim of sexual assault reports the incident in a timely manner to local law enforcement. Time is a critical factor for evidence collection and preservation. SEBTS also strongly urges all members of its community to report any and all sexual assault incidents to the reportabuse@sebts.edu email address that is monitored by our Student Life team and to call Campus Security at (919) 291-1903. Also, until the Southern Baptist Convention has established a more permanent reporting mechanism, you can report abuse to Guidepost Solutions at SBChotline@guidepostsolutions.com or 202-864-5578. Victims have the right to decline involvement with the police as long as the victim is over the age of 18. The Title IX Coordinator will assist any victim with filing a report with local law enforcement if they desire to do so.

An assault should be reported directly to Campus Security and the Title IX Coordinator. When a sexual assault victim contacts the Department of Campus Security, the Wake Forest Police Department will be notified of the incident as well, and a representative from the Title IX Office will also be notified. Notifying the local police authorities does not necessarily entail disclosing the victim's or the accused's identity. The information in the notification will honor the reporting right of the victim.

Abuse or Endangerment of Minors

As ambassadors of the Gospel, SEBTS takes seriously our Christian duty to protect and ensure the safety and wellbeing of those who do not have the ability to advocate for themselves. Minors, in particular, do not always have the capacity to understand what is happening in abuse and do not have the level of independence to seek safety. Therefore, if any student, staff, or faculty member has reasonable suspicion of abuse or neglect, the administration, in agreement with North Carolina state law, requires that these concerns be reported to the county department of social services. SEBTS administration also requires that these concerns be reported to the Dean of Students Office and/or Campus Security.

North Carolina state law: Any person or institution who has cause to suspect that a child under age 18 is abused, neglected, or dependent must make a report to the county department of social services (G.S. 7B-301).

Policy Enforcement

If any student believes he/she is being, or has been, harassed in any way, or has observed harassment in any way, he/she must report the facts of the incident to the Title IX Coordinator. If the incident is associated with campus employment, his/her supervisor should also be contacted immediately, without fear of reprisal. If the supervisor is the person responsible for the harassment, the student employee should report to the Director of Human Resources.

SEBTS will work to uphold confidentiality and protect the victims of sexual harassment, abuse, assault, and discrimination. Every complaint will be taken seriously, investigated promptly, and held highly confidential. SEBTS will take affirmative steps to ensure that such behavior is not allowed or tolerated. Offending parties will be disciplined up to and including dismissal from class and/or expulsion.

If the incident is criminal in nature, the victim should call the Department of Campus Security immediately. The Department of Campus Security will ensure that the victim is safe and will advocate that the victim of sexual assault reports the incident in a timely manner.

Retaliation Policy

Retaliation is defined as any adverse action taken against someone for reporting harassment or misconduct, or for being involved in the investigation of any allegations. It is a violation of SEBTS policy and may also be prohibited by law to retaliate against those involved in a complaint of harassment, discrimination, or sexual misconduct. Acts of retaliation should be reported to the Title IX Coordinator and/or Campus Security, which will be investigated and disciplined where appropriate, as outlined in the Title IX Policy.

Voluntary Confidential Reporting

When a report of sexual misconduct, interpersonal violence, and/or gender-based discrimination is filed, the Title IX Coordinator will be responsible for processing the report and coordinating the institution's response. The investigation may not move forward if the person submitting the report withdraws the complaint or other resolution options are appropriate. However, SEBTS reserves the right to pursue its own investigation when it has reason to believe that there is imminent threat to the health and safety of individuals within the SEBTS community, or the complaint involves abuse or endangerment of a minor. If this occurs, the reporting party will be notified.

If the person filing the complaint requests confidentiality, the institution will take all reasonable steps to investigate and respond to the complaint without revealing the identity of the person filing the complaint. If that person insists that his/her name not be disclosed, the institution's ability to respond may be limited. While SEBTS will work to ensure the reporting party's privacy, in limited circumstances the institution may have to override a student's request for confidentiality to provide a safe and nondiscriminatory environment for the reporting party and the SEBTS community. If confidentiality cannot be maintained, the person filing the complaint will be notified. Regardless of a request for confidentiality or that an investigation not be pursued, SEBTS can provide interim measures and resources for the person reporting the complaint and/or the victim.

Disclosure to Victims

SEBTS will, upon written request, disclose to the victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by SEBTS against the student who is the alleged offender of the crime or offense. If the victim is deceased as a result of the crime or offense, SEBTS will provide the results of the disciplinary hearing to the victim's next of kin, if so requested.

Title IX Policy

Students, staff, faculty, and their dependents are strongly encouraged to report any and all instances of sexual harassment, sexual and/or interpersonal violence, and gender-based discrimination to the Title IX Coordinator, SEBTS Campus Security, and the local police. Additional reporting choices, including a list of confidential options, can be found in the Reporting and Resources section of SEBTS's Title IX Policy page: sebts.edu/about/title-ix.aspx. When an allegation of sexual misconduct and interpersonal violence is brought to the attention of an appropriate institution official, protective and other remedial measures will be used reasonably to ensure such conduct ends, is not repeated, and the effects on the victim and community are remedied, including sanctions when a responding party is found to have violated this policy.

Additional information regarding the institution's Title IX policy and procedures can be found in the [Title IX](#) section.

Care for Victims

Any persons involved in sexual harassment, abuse, or assault is encouraged to pursue counseling options that are available. These individuals should contact the Counseling Office within the Dean of Students Office for options available on campus, through the local church, as well as referrals to private counseling centers.

Additional information regarding the Counseling Office is available online at:

aroundsoutheastern.com/index.php/resources/counseling-center, or you may call (919) 761-2304 or email counselingservices@sebts.edu.

As a reminder, if you know about any abuse taking place or are a victim of abuse, please contact law enforcement, call Campus Security at (919) 291-1903, and/or email reportabuse@sebts.edu which is monitored by our Student Life team. Also, until the Southern Baptist Convention has established a more permanent reporting mechanism, you can report abuse to Guidepost Solutions at SBChotline@guidepostsolutions.com or 202-864-5578.

Self-Harm & Eating Disorders

SEBTS as an institution is committed to caring for the students and families on campus as they are equipped to go throughout the world to serve the Body of Christ. As servants of God, we feel that it is vitally important to not just equip students intellectually, but as a whole. With that in mind, we believe that behaviors that are harmful to self (ex. suicidal tendencies or actions, self-harming behaviors such as cutting, anorexia, bulimia, gluttony, etc.) are indicative of deeper spiritual, mental, and emotional concerns that must be addressed with both truth and grace. With this in mind, we recognize that engaging in these behaviors or actions is a demonstration of the deep impact of human sin and brokenness that takes the form of a direct attack on an image bearer (the self). We also acknowledge that these particular struggles are often an expression of deeper psychological and emotional distress. Thus, a holistic approach requires that we seek both full repentance and healing for any student struggling with any form of these issues.

For this reason, SEBTS takes these behaviors very seriously. We will work with students to address these behaviors appropriate channels of biblical counseling, personal accountability and, when appropriate, through institutional intervention. Toward these ends, the administration may deem it necessary to coordinate an action plan (often in collaboration with our Counseling Services office) which may include such things as (but not necessarily limited to) external counseling referrals as needed, additional academic or social supports, facilitating increased accountability, an evaluation by a medical provider, and/or a requirement for ongoing professional counseling. In severe cases, the administration may deem it necessary for the student to withdraw for a semester or longer in order to give focused attention to growth and healing in such areas. The purpose of any such action plan is not punitive, but to prioritize the safety, well-being, discipleship, and spiritual formation of the student in order that the student succeed in the pursuit of his or her academic goals and ultimately engage in fruitful Great Commission ministry.

Seminary Duties and Student Responsibilities

1. Southeastern Baptist Theological Seminary and Judson College at Southeastern (SEBTS) has the duty to offer equitable and consistent academic policies, and students have the privilege to be enrolled in classes and responsibility to meet all academic requirements as specified by SEBTS's policies and professors (refer also to the section on Academic Policies in SEBTS's Academic Catalog).
2. SEBTS has the duty to prepare students for Christian ministry in a campus environment that is free from sexual or racial bias and free from sexual harassment. Students have the privilege and responsibility to live in this community and treat other students and SEBTS's staff with a respect and Christian courtesy that brings honor to the Lord as well as His image bearers.
3. SEBTS has the duty to set and maintain behavioral standards among students and staff that encourage God's glory, provide a vibrant witness to the surrounding community, and which are also consistent with the best elements of Christian ethics as understood by Southern Baptist Convention churches and articulated in the articles of faith that set forth the doctrinal positions with which the school is identified and which characterize the beliefs and commitments of the faculty: The Abstract of Principles and the Baptist Faith & Message 2000.
4. Students have the responsibility to both abide by SEBTS's behavioral standards as set in the Southeastern Covenant and maintain active membership in a local church.
5. SEBTS has the duty to allow students to hold different theological positions than those expressed in SEBTS's confessional documents. Students have the privilege to learn and study all aspects of these theological positions and they also have the responsibility to express personal convictions courteously, respectfully, and in accord with class decorum established by each professor.
6. SEBTS has the duty to provide students with the opportunity to participate in appropriate student groups, and students have the privilege to participate in these various groups as well as have the responsibility to follow the rules and honor the stated purposes of the student groups.
7. SEBTS has the duty to allow students to apply for financial aid and student housing. Receiving financial aid and living in the student housing offered by SEBTS is a privilege. If aid or housing is granted, students have the responsibility to abide by the terms of the financial aid and the term of the housing lease.
8. SEBTS has the duty to apply the institution's financial policies equitably, and students have the responsibility to pay all applicable bills and fees when they are due.
9. SEBTS has the duty to make the institution's principles, policies, and procedures that are relevant to student life explicit and readily available to appropriate persons. Students have the responsibility to abide by SEBTS's policies and procedures.
10. SEBTS has the duty to allow students to express disagreement with SEBTS's policies and the application of those policies through established channels. Student complaints may be registered in the Dean of Students Office at wbowers@sebts.edu. Students have the responsibility to accept and abide by SEBTS's decisions regarding student complaints.
11. SEBTS has the duty to provide reasonable safety assurances and protocols for students while they are on campus and in the classroom. SEBTS does have in place a Disaster Relief Emergency Response Plan specified in the Employee Handbook which can be made available for overview with appropriate permission given by the Dean of Student's Office.
12. SEBTS faculty and staff have the duty to demonstrate appropriate levels of confidentiality with students and each other, but this duty does not prohibit them from contacting the administration when the Southeastern Covenant is breached and/or a student's safety is at risk. Students also have the responsibility to alert the administration of covenant breaches for themselves and others.

Title IX

SEBTS strives to provide and promote a safe and welcoming environment for the campus community where misconduct in all forms is prohibited and recognized as unacceptable. SEBTS does not tolerate acts of sexual harassment, interpersonal violence, sexual misconduct, or sex/gender-based discrimination. All members of our community are expected to conduct themselves in a manner that reflects SEBTS's values, personal integrity, and a respect for others.

The goal of campus life at SEBTS is to live, work, serve, and worship together as an educational community centered around the Lord Jesus Christ. Along with the privileges and blessings of membership in such a community come responsibilities. The members of the SEBTS campus community take these responsibilities seriously.

One of these responsibilities is to establish and maintain a safe and healthy social environment for all members of the community that honors the Lord Jesus Christ and God's vision for human sexuality. God's vision for sexuality affirms the dignity and purity of all persons. Sexual harassment and assault are behaviors outside of God's vision for human sexuality that cause pain and suffering. They are also unacceptable behaviors that grieve God's heart and members of the SEBTS community.

Southeastern Baptist Theological Seminary prohibits sex discrimination in any education program or activity that it operates. Individuals may report concerns or questions to the Title IX Coordinator. The notice of nondiscrimination is located at the following links: <https://www.sebts.edu/about/institutional-info/title-ix/> and <https://www.collegeatsoutheastern.com/about/transparency/title-ix/>.

The SEBTS Title IX coordinator is Mike Lawson. He can be contacted by calling (919) 761-2103 or emailing mlawson@sebts.edu.

Intellectual Property Rights

SEBTS recognizes the right of personal ownership of intellectual property. If a student has produced personal materials worthy of publication, the institution would encourage the student to seek publication. However, let it be known that the use of those materials in the context of the life of the school, whether in the classroom, Chapel, or in other locations or formats will not financially obligate the institution in any way. SEBTS will not pay royalties to any student for the use of their intellectual property in the context of the life of the institution.

If the case arises where such student work is being sold by the institution to individuals or entities outside the life of SEBTS, a written agreement will be negotiated with the student. Students may enter into an agreement with the institution to take on a special assignment, course, or project. Such agreements may provide compensation and may establish other conditions on a case-by-case basis. Such agreements would supersede the policy stated above if any conflict were to arise.

Student Privacy

Under law, SEBTS abides by all the requirements of the Family Educational Rights and Privacy Act (FERPA). We are committed to protecting the privacy of a student's educational record regardless of delivery method. The Registrar is the point of contact for all FERPA related issues, and all employees are informed and trained of their responsibilities of unauthorized release of confidential records or information. Because an online environment creates a record of student activity, it is subject to FERPA privacy rights, unlike verbal exchanges in a physical classroom. A copy of FERPA can be found at www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html?src=rn.

Student Files

For policies regarding third parties wishing to access a student's academic, financial, and disciplinary records or a student wishing to access their own records, please contact the Dean of Students Office.

Faculty Responsibility

Faculty and staff understand and carry out a commitment to confidentiality, integrity, and security to protect the privacy

of students who participate in distance learning activities. Students' records are kept private by the instructor, except in cases where academic staff or administration accesses the course, with legitimate educational interest under FERPA guidelines. To maintain course security and protect student privacy, faculty do not access or attempt to access another employee's or student's account without authorization as described in the SEBTS Technology Acceptable Use Policy and the Faculty Handbook.

Student Responsibility

To maintain confidentiality, Moodle login passwords are generated by the student and any password reset is completed through secure means. It is the student's responsibility to keep their password confidential. [See the Appendix I: SEBTS Technology Acceptable Use Policy.](#)

Only work submitted to open forums, like discussion boards, can be accessed by other students; other assignments, grades, and correspondence are not viewable by other students.

Identity Verification in Distance Learning Courses

The identity verification process for online courses protects student's privacy with a secure portal, with a secure login and student-selected password.

Complaints and Appeals

Academic Complaints & Appeals

Undergraduate, M.A., and M.Div. Appeals

Essential to accomplishing SEBTS's mission is the fair application of its policies and a campus culture that is transparent and promotes personal formation and positive interpersonal relationships. To this end, SEBTS provides a mechanism for students to raise concerns and grievances.

Online and extension center students are allowed to submit appeals and grievances for the same reasons and by the same channels as student on-campus.

Any student that wishes to appeal a grade or present an academic-related concern should speak directly with the relevant faculty member to seek clarification or help with the matter. If an issue cannot be resolved directly with the faculty member, the student may raise an informal complaint to an Associate Academic Dean. The Associate Dean may discuss the case with the faculty member to seek resolution. If the matter remains unresolved, the student may appeal to the Dean of the College or the Dean of Graduate Studies.

If the relevant faculty member is an Associate Dean, the student may raise the informal complaint with the Dean of the College or the Dean of Graduate Studies. If the relevant faculty member is the Dean of the College, the student may raise the informal complaint with the Dean of Graduate Studies. If the relevant faculty member is the Dean of Graduate Studies, the student may raise the informal complaint with the Dean of the College. If the matter remains unresolved in any of the above cases, the Dean of the College or the Dean of Graduate Studies may carry the issue to the Provost.

If the issue is not directly related to a class or faculty member but has to do with general academic policy, students may seek counsel from the Registrar. If the issue is not resolved by speaking with the Registrar, students may request to speak with the Dean of the College or the Dean of Graduate Studies to raise an informal complaint. If the matter remains unresolved, the appropriate Dean may carry the issue to the Provost.

In most cases, the above stated procedures should resolve the grievance by either clarifying the established policy in question or facilitate a resolution for the problem. However, if a resolution to the problem has not been reached via these procedures, any student(s) who so desires may file a formal written complaint with the Provost via the Dean of the College or the Dean of Graduate Studies.

Depending on the issue, the Provost may act to resolve the problem and inform the student(s) of the decision, or he may carry the issue to the President's Cabinet to seek advice for the resolution and then communicate the decision to the student in an appropriate manner. Any decision made by the Provost, President, or Cabinet in these matters is final. The President's Cabinet acts under the authority of the institution's Board of Trustees.

Th.M., D.Min., Ed.D., and Ph.D. Appeals

If a Th.M. or doctoral student wishes to appeal a seminar grade or present an academic course-related concern, such an action should be directed to the relevant faculty member in order to seek clarification or help with the matter. If an issue cannot be resolved directly with the faculty member, the student may raise an informal complaint to the director of his/her degree program. If the director of the program is the relevant faculty member, the student may raise the complaint to the Dean of Doctoral Studies. The program director or the Dean of Doctoral Studies may discuss the case with the faculty member to seek resolution.

In cases where a student wishes to appeal a decision made by the director of the degree program or the Dean of Doctoral Studies, the appeal should be made to the appropriate degree committee. The Dean of Doctoral Studies serves as an ex-officio member of the committee, and he will serve as chair of the committee if the program director is the relevant faculty member. The student must submit to the committee via the respective degree office a written statement indicating the grounds of the appeal. The student's presence at the scheduled committee meeting is not required, but students may request to make their appeal in person.

In most cases, the above stated procedures should resolve the grievance by either clarifying the established policy or facilitate a resolution for the problem. However, if a resolution to the problem has not been reached, any student(s) who so desires may file a formal written complaint with the Provost via the Dean of Doctoral Studies.

Depending on the issue, the Provost may act to resolve the issue and inform the student(s) of the decision, or he may carry the issue to the President's Cabinet to seek advice for the resolution and then communicate the decision to the student in an appropriate manner. Any decision by the Provost or Cabinet in these matters is final. The President's Cabinet acts under the authority of the institution's Board of Trustees.

Other Complaints & Appeals

When a student has a complaint about something that is not specifically academic in nature, he or she is encouraged to speak directly with the responsible administrator (e.g., a complaint about housing issues would be discussed with the

Director of Housing). Administrators are expected to act according to the established policies and procedures of the school and with concern for the welfare of all students. Usually, a direct conversation (preferably face-to-face) with the responsible administrator will lead to resolution of the issue.

After speaking directly with the responsible administrator (for roommate issues, students should seek resolution by speaking with the roommate, and if necessary, students may also speak with the House System & Discipleship Supervisors or the Director of College Life), the student may contact the Dean of Students office by emailing wbowers@sebts.edu. The Dean of Students Office and Student Life Office will seek to help the student resolve his or her complaint according to the established policies and procedures of the institution, and with concern also for the welfare of all students.

If and only if a resolution to the complaint has not been reached according to the above procedures, students may file a formal written complaint with the Dean of Students Office. The complaint form may be obtained from the Student Life Office by going to: cognitofrms.com/AroundSoutheasternSEBTSStudentLife/ComplaintAppealsForm. The Dean of Students may act to resolve the issue and inform the student(s) of the decision, or he may carry the issue to the President's Cabinet for advice and/or resolution. The decision will then be communicated to the student(s) in a manner appropriate to the complaint. Any decision from the Cabinet is final.

Complaints Against the Institution to Accreditors

For Southern Association of Colleges and Schools, students may also file a grievance against Southeastern Baptist Theological Seminary regarding a possible violation of the *Principles of Accreditation*, the Core Requirements, and Policies or Procedures, as well as to address possible violations of the institution's own policies and procedures. To file a grievance, students should obtain a copy of the latest edition of *Complaint Procedures Against the Commission or its Accredited Institutions*, saranc.org/docs/SACSCOC_ComplaintPolicy.pdf. Complaints against SEBTS, regarding issues related to the *Principles of Accreditation*, filed in accordance with the SACSCOC procedure, are filed in the Office of Institutional Effectiveness.

For the Association of Theological Schools, the Board of Commissioners maintains policies and procedures for reviewing and responding to complaints against its schools. The complaint must be filed in writing to the Board of Commissioners, together with substantial documentation, as appropriate for the circumstance. The Board of Commissioners will determine if the complaint has standing with reference to any membership criterion or Standards of Accreditation of the Commission. If the complaint has standing, the Board of Commissioners will conduct an investigation. The Board of Commissioners will communicate its conclusions and actions to the institution and the party raising the complaint. The Board of Commissioners assumes no responsibility for or obligation to adjudicate individual grievances.

If students are unable to resolve a complaint through the institution's grievance procedures, they may review the Student Complaint Policy, complete the Student Complaint Form (PDF) located on the State Authorization webpage at northcarolina.edu, and submit the complaint to studentcomplaint@northcarolina.edu or to the following mailing address: North Carolina Post-Secondary Education Complaints c/o Student Complaints University of North Carolina System Office 910 Raleigh Road, Chapel Hill, NC 27515-2688.

Appendix A: Applying for Disability Resources

Disability Definition

Federal law defines a disability as a physical or mental impairment that substantially limits one or more of the major life activities of an individual, a record of such an impairment, or being regarded as having such an impairment.

The term “qualified individual with a disability” means an individual with a disability who, with or without reasonable modifications to rules, policies, or practices, the removal of architectural, communication, or transportation barriers, or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a public entity. The student must have a document proving that they have such a disability. SEBTS may not provide unreasonable or burdensome accommodations for a disability.

Throughout the rest of this document, the term “student” is assumed to mean “qualified student.”

Accommodations

Reasonable accommodations can be made that relate to the modifications of the learning environment in order to eliminate, as much as possible, physical or instructional barriers to learning encountered by the student with a disability. Accommodations are individualized and dependent on the nature of the specific disability or disabilities. An accommodation is considered appropriate and reasonable to the extent that the accommodation is:

1. feasible in its alternative method or format,
2. does not impose an undue burden or hardship on the school,
3. does not alter the essential nature/requirements of the class or academic program, and
4. does not pose an appreciable threat to personal or public safety.

Students who believe they will need classroom accommodations to participate fully in the activities inherent in their academic programs at SEBTS must follow the Process and Procedure section below. In addition, SEBTS assumes no responsibility for personal care attendants, health care providers, personal devices, individually prescribed devices, readers for personal use or study, or private tutors. *NOTE: The school does not provide diagnosis of learning disabilities, learning differences, educational therapies, or accommodations. SEBTS will only provide the accommodations recommended by a medical professional for the individual student.*

Services are provided on an individual basis according to documentation provided by the student, tailored to individual needs, and may include, but are not limited to the following:

- Quiet room in which to take examinations. *NOTE: Quiet rooms need to be reserved through the library webpage libcal.sebts.edu/booking/studyrooms. It is the responsibility of the student to reserve quiet rooms in the library. The student should seek to reserve a quiet room at least one week in advance if able. The student can contact the Dean of Students Office for assistance.*
- Extended time for reading assignments.
- Extended time for examinations.
- Preferred seating in the classroom.
- Lecture outlines or lecture notes (electronic and/or printed).
- Textbooks in alternate formats:
 - o Pdf- or Word-formatted books
 - o E-books
 - o Audiobooks
- In-class note takers or oral readers for exams. *NOTE: Request is made in cooperation with the professor. It is the responsibility of the student to make these requests, and these requests must be approved ahead of time by the Dean of Students and professor of each course.*

- Auxiliary Aids (interpreters, etc.) NOTE: New students must complete the Disability Services Accommodation Request Form upon acceptance and must email the Dean of Students Office immediately regarding this request.

SEBTS will assess on a case-by-case basis whether a particular reasonable accommodation would cause undue hardship or burden. The same assignment deadlines, grading criteria, or any deadline extensions should be applied to all students within his/her class. Extensions on examinations, reading assignments, or writing assignments are applied on a case-by-case basis in conjunction with the requirements of the professor, the needs of the student, and the Dean of Students Office.

The faculty's responsibility, in conjunction with the Dean of Students Office, is to provide the class/context appropriate accommodations beginning when they are requested by the student. It is the student's choice as to which accommodations to use in each of his or her classes.

Personal Care Assistant (PCA)

A student needing a PCA is encouraged to seek appropriate personal care independently. For classroom and general campus assistance, some students will find it beneficial to recruit and hire other students. For more involved personal care needs, students can make arrangements through agencies or private contacts. Furthermore, the student is responsible for:

- notifying the Dean of Students Office about his/her need to have a PCA in the classroom
- notifying SEBTS Housing office about his/her need to have a PCA living in university housing
- hiring, managing, paying, and, if necessary, firing the PCA

All PCAs are expected to follow all applicable SEBTS policies, regulations, rules, and procedures. If a PCA fails to abide by such policies, regulations, rules, and procedures and/or causes a fundamental alteration in services, programs, or activities, then the Dean of Students Office may make a determination that the PCA will not be allowed to accompany the student with a disability in the classroom and/or other sites. If a PCA who resides in SEBTS housing fails to abide by the policies, regulations, rules, and procedures relating to SEBTS housing, the SEBTS Housing Office may make a determination that the PCA will not be allowed to live with the student in SEBTS housing. It is the student's responsibility to secure the services of another PCA in the event a PCA becomes unable to perform services for a student.

In the event of a dispute about an accommodation relating to the use of a PCA, the complaining student should appeal to the Dean of Students Office.

Documentation

If the student is an incoming college, seminary, or doctoral student, it is the responsibility of the student to provide documentation and accommodation requests to the Dean of Students Office prior to class registration. This should be done after acceptance and prior to entering classes. However, if a temporary or long-term diagnosis or condition occurs at any time while the student is enrolled at SEBTS, the student should contact the Dean of Students Office as soon as possible so that accommodations can be provided in order to assist the student in having a successful experience at SEBTS.

The student self-identifies the disability diagnosis and its impact. Documentation of the disability from a doctor or licensed professional is required in order to receive accommodations as a student at SEBTS. The student is responsible for the cost of evaluation if current documentation is unavailable. **NOTE: Generally, documentation is current if and only if it is less than five years old at the time of application.**

An acceptable form of documentation:

- Is written by a licensed or otherwise properly credentialed professional, preferably one who knows the history of the student's disability.
- Is provided on the professional's letterhead along with the date of evaluation.
- States a clear diagnosis based on objective evidence.

- Gives a description of how the condition was diagnosed.
- Discusses the functional impact of the diagnosis.
- Discusses the typical progression, stability, prognosis, and treatment, along with any side effects of medications (if applicable).
- Establishes the need for requested accommodations.
- Is signed by the credentialed professional who diagnosed the student.

Unacceptable forms of documentation:

- Notes written on prescription pads.
- Reports or letters on plain paper.
- Letters that state a diagnosis without correlating testing or evaluation.
- Letters or notes from physicians that only request accommodation allowances.
- Office visit summaries or patient progress notes that do not meet the stated criteria.
- 504 Plans or IEP from high school.

Process and Procedure

In accordance with the desire to best serve students, SEBTS offers the following procedure to assist qualified students with disabilities:

1. In order for documents to be filed in the Dean of Students Office and for accommodations to be authorized, the student will need to complete the Disability Services Accommodation Request Form below. The student will fill out the required information on this form and upload the necessary documentation. The submission with all the documents will be sent to the Dean of Students Office. It is the responsibility of the student to complete the Disability Services Accommodation Request Form and provide all necessary documents for files if the student wishes to receive accommodations. NOTE: *This form should be filled out upon class registration.*
cognitofirms.com/AroundSoutheasternSEBTSStudentLife/disabilityservicesaccommodationrequestform
2. After an official file is made, an automatically generated email will be sent to each professor notifying them of the approved student's need for accommodations. The student will also receive an automatically generated email notifying them that their professors have received an email of their need for approved accommodations. The professor and student accommodation requests email will be sent every semester that the student's enrollment is in effect.
3. After the student has registered for classes, the student should email the Dean of Students Office a list of their professors and the name of the class and section of each professor for that given semester. A follow-up email will be sent to each professor by the Dean of Students Office on behalf of the student with a list of accommodations that the student has requested from their Disability Services Accommodation Request Form. The student will be copied in this follow-up email. The nature and specific diagnosis of the disability will not be disclosed to professors. It is the responsibility of the student to email their list of professors for each semester to the Dean of Students Office prior to the start of classes. NOTE: *If the student's diagnosis or accommodation needs changes at any point while a student at SEBTS, please contact the Dean of Students Office immediately.*
4. After the Dean of Students Office has emailed the student's professors of their need for approved accommodations, it is the student's responsibility to contact his/her professors in order to communicate how they can best work together in the provision of these accommodations for optimal success in the classroom and the student's academics. The student should not request accommodations from the professor without first contacting the Dean of Students Office.
5. The professor can contact the Dean of Students Office to verify the student's IEP or disability records and receive recommendations on how to best accommodate the student if the professor chooses to do so. NOTE: *Specifics of the student's disability and diagnosis will not be disclosed to the professor and will be kept confidential under the Family Educational Rights and Privacy Act. Only a verification of documents from the student in the Dean of Students files will be given.*

6. The student and professor will collaborate to determine how to implement the recommended accommodations. The professor will work with the Dean of Students Office to implement these accommodations unless the professor determines that the accommodation will alter the essential nature of the course.
7. SEBTS is unable to grant retroactive accommodations once the semester is completed.

*NOTE: If the student is a commuter (a student who travels to SEBTS campus for hybrid/weekend classes or doctoral classes) with a physical disability and requests specific accommodations for housing while staying on campus, please contact the Dean of Students Office first and with sufficient advance notice, so that the Dean of Students, Housing, and Facilities Offices can work in conjunction on behalf of the student. SEBTS has limited handicap accessible apartments, and if the student does not give sufficient advance notice of needing housing accommodations, the student may be responsible for finding housing elsewhere.

The Dean of Students Office at SEBTS operates as the Disability Resources Office. Therefore, all communication, files, and advocacy for disability services will go through the Dean of Students Office. It is our honor and desire to advocate for the student and support the student's success at SEBTS so that you can be readily equipped to glorify the Lord Jesus Christ to serve the Church and fulfill the Great Commission (Matthew 28:19-20).

If you have questions regarding Disability Resources, please call the Dean of Students Office at (919) 761-2306 or email wbowers@sebts.edu.

Disability Resources Checklist

Gather all necessary documentation and accommodation forms.	
Fill out the Disability Services Accommodation Request Form on the Disability Resources webpage.	
Send an email to wbowers@sebts.edu with a list of the student's professors and the name of the class and section of each professor for that specific semester.	
Contact and collaborate with each professor on how the provision of accommodations can best be implemented.	

Appendix B: Service and Emotional Support Assistance Animal Policies

For a student to have a service or emotional support assistance animal, the student must register through the Dean of Students Office. The student can inquire about their responsibilities for receiving the accommodation of a service or an emotional support animal by reading the policy below or emailing wbowers@sebts.edu. If a student wishes to keep their service or emotional support assistance animal in campus housing, the student must register the animal through the requirements of the Housing Office.

Definitions

Service Animal. According to the ADA, “service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities.” A service animal must be a certified service dog that is individually trained to do work or perform tasks for the benefit of someone with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Other species of animals, whether wild or domestic, trained or untrained, are not service animals. The dog must be trained to take a specific action when needed to assist the person with a disability. Examples include, but are not limited to, alerting persons with hearing impairments to sounds, guiding persons that are blind or have low vision, pulling wheelchairs or carrying and picking things up for persons in wheelchairs, and helping people who have mobility impairments with balance. A dog whose sole function is to provide comfort, emotional support, companionship, or improve the well-being of the student do not qualify as service animals under the Americans with Disabilities Act (ADA) and thus do not meet the definition of Service Animal under this policy. Service dogs are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person's disability.

Emotional Support Assistance Animal. An assistance animal that is not a service animal but provides emotional support that alleviates one or more identified symptoms or effects of a person's disability. Unlike service dogs, emotional support assistance animals provide relief through mere presence and need not be individually trained to provide the emotional support needed to alleviate the symptoms of the disability. However, emotional support assistance animals are not pets; the student must have a disability-related need for the animal and Southeastern Baptist Theological Seminary (SEBTS) requires documentation from a physician, psychiatrist, social worker, or other mental health professional demonstrating that the animal provides emotional support to alleviate symptoms of the disability in considering the request for a reasonable accommodation.

General

SEBTS will permit the use of a service dog by an individual with a disability who satisfies the requirements of the Americans with Disabilities Act. SEBTS will permit the use of an emotional support assistance animal as a reasonable accommodation by an individual with a disability who satisfies the requirements of the Fair Housing Amendments Act and Section 504 of the Rehabilitation Act.

The use of a service animal is allowed in all areas of SEBTS and campus housing where members of the public, participants in services, programs or activities, or invitees are normally allowed to go, unless it would fundamentally alter the nature of the goods, services, programs, or activities provided by SEBTS or is prohibited by health laws.

The use of an emotional support assistance animal is only allowed in the student's assigned dormitory building/apartment and areas where animals may be walked, except at times when the emotional support assistance animal is entering or exiting SEBTS property. Emotional support assistance animals are not allowed in any other SEBTS-controlled buildings such as academic buildings and classrooms, the student center, campus offices, or Binkley Chapel, and outside upon other seminary property unless designated by the Dean of Students Office.

SEBTS does not generally allow a student to keep more than one service dog or emotional support assistance animal for a disability (or identified symptom or effect of a disability) for which the animal is needed.

Registration and Inquiries

Accommodation Request and Registration. All requests shall be made by filling out the Disability Services Accommodation Request Form and the Southeastern Service and Emotional Support Assistance Animal Accommodation Request Form located on the “Disability Services” webpage.

Service Dogs. SEBTS requires the student to register a service dog with the Dean of Students Office if the student wishes to take the animal into areas of SEBTS property (such as residence halls/apartments, classrooms, academic buildings, campus offices, the student center). If a service dog is to have access to the residence halls/campus housing for purposes other than its student owner visiting a resident, it must be registered.

Emotional Support Assistance Animals. SEBTS requires that students wishing to use an emotional support assistance animal in their residence hall/dormitory must register and request a reasonable accommodation with the Dean of Students Office.

A current bill of health with veterinarian verification of sterilization (sprayed or neutered), documentation confirming vaccinations (including rabies vaccination tags and immunization treatments), and pest treatments along proper documentation from a healthcare professional prescribing the animal as a service dog or an emotional support assistance animal must be presented to the Dean of Students Office 60 days prior to starting classes in the fall, spring, or summer semesters at SEBTS or 60 days prior to moving into campus housing (if residing in campus housing).

Following the completion of the forms, the Dean of Students Office will notify the student’s professors if the service dog is required to be with the student in the classroom. Students must send the professors’ names, their class names, and class sections to the Dean of Students Office each semester so that the Dean of Students Office can properly notify the student’s professors.

Staff Inquiries

Service Dogs. In circumstances where it is not readily apparent what service the dog is providing, SEBTS staff and the Dean of Students Office may ask the student all of the following:

1. Is the dog a service dog required because of a disability?
2. What work or task has the dog been trained to perform?

Emotional Support Assistance Animals. In evaluating a request for an emotional support assistance animal, SEBTS staff and the Dean of Students Office shall consider all of the following criteria:

1. Does the student seeking to use and live with the animal have a disability (i.e., a physical or mental impairment that substantially limits one or more major life activities)?
2. Does the student making the request have a disability-related need for an assistance animal? In other words, does the animal provide emotional support that alleviates one or more of the identified symptoms or effects of a student's disability?

If the student does not meet both of the above requirements, the request for a reasonable accommodation with an emotional support animal may be denied. If the student meets both requirements and provides sufficient documentation where required, SEBTS will provide reasonable accommodation.

Documentation

Service Dogs. SEBTS requires medical documentation pertaining to the student’s disability and special documentation for the service dog. This will require the student to fill out the Disability Services Accommodation Request Form, the Service and Emotional Support Assistance Animal Accommodation Request Form, and the Healthcare Professional Form. SEBTS can ask that the dog demonstrate its ability to perform the work or task if the student takes (or desires to

take) a service dog into academic buildings, classrooms, the student center, or residence halls/apartments. A current bill of health with veterinarian verification of sterilization (sprayed or neutered), documentation confirming vaccinations (including rabies vaccination tags and immunization treatments), and pest treatments along proper documentation from a healthcare professional prescribing the animal as a service dog must be presented to the Dean of Students Office.

Emotional Support Assistance Animals. SEBTS requires individuals with disabilities to submit reliable documentation of a disability and their disability-related need for an assistance animal if the student takes (or desires to take) a support animal into the residence halls/apartments. Persons requesting a reasonable accommodation for an emotional support assistance animal will be required to provide documentation from a physician, psychiatrist, social worker, or other mental health professional that the animal provides emotional support that alleviates one or more of the identified symptoms or effects of a disability. This will require the student to fill out the Disability Services Accommodation Request Form, the Service and Emotional Support Assistance Animal Accommodation Request Form, and the Healthcare Professional Form. A current bill of health with veterinarian verification of sterilization (sprayed or neutered), documentation confirming vaccinations (including rabies vaccination tags and immunization treatments), and pest treatments along proper documentation from a healthcare professional prescribing the animal as an emotional support assistance animal must be presented to the Dean of Students Office.

Responsibilities and Procedures

SEBTS is not responsible for the care or supervision of a service dog or emotional support assistance animal. Students with disabilities are responsible for the control of their service dog or emotional support assistance animal at all times and must comply with all applicable laws and regulations, including vaccination, licensure, animal health and leash laws. A service dog or emotional support assistance animal shall be restrained with a harness, leash, or other tether, unless an individual's disability precludes the use of a restraint or if the restraint would interfere with the service dog or emotional support assistance animal's safety, effective performance of work, or tasks. If the service dog or emotional support assistance animal is not tethered, it must be otherwise under the individual's control, whether by voice control, signals, or other effective means.

Individuals are responsible for ensuring the immediate clean-up and proper disposal of all animal waste. Although SEBTS may not charge an individual with a disability a service animal surcharge, it may impose charges for damages caused by a service dog or emotional support assistance animal in the same manner SEBTS imposes charges for damages caused by pets.

Deadlines. Students requesting a service dog or emotional support assistance animal on SEBTS property must notify the Dean of Students Office by submitting the Disability Services Accommodation Request Form, the Service and Emotional Support Assistance Animal Accommodation Request Form, and the Healthcare Professional Form at least sixty (60) days prior to starting classes in the fall, spring, or summer semesters at SEBTS or 60 days prior to moving into campus housing (if residing in campus housing). All documentation needs to be submitted with required medical documentation, veterinarian documentation, picture of animal, and the animal's clean bill of health.

Annual Renewal. Approval to have a service dog or an emotional support assistance animal must be updated prior to June 1st of each year with the Dean of Students Office by providing a clean bill of health.

Notice of Removal or Replacement Animal. The student must notify the Dean of Students Office via email if the animal is no longer to be kept by the student in the residence. To replace an animal with another animal, the student must file a new accommodation request with the Dean of Students Office.

Access. Animals must stay in the student's room/apartment unless they are accompanied by the student and may not be allowed to roam freely through common areas. While service dogs may accompany students at all times and in most locations on SEBTS property, emotional support assistance animals are permitted only in the student's residence hall/apartment, outside areas specifically designated by SEBTS for walks, and the pathways for entry and exit to SEBTS property. Animals must be secured by leash or cage during maintenance visits by SEBTS staff.

Care and Supervision. The student shall be responsible for the care and supervision of his or her animal. SEBTS is not responsible for the care or supervision of a service dog or emotional support assistance animal. All animal food not

canned must be kept in a sealable plastic container or in the occupant's refrigerator. If the student is not in the physical presence of his or her animal, the animal must be in a closed crate no larger than necessary given the animal's size and manufacturer's specifications. Any and all liability for the actions of the animal is the responsibility of the student, including but not limited to damage involving personal or private property of SEBTS or others.

Control. An animal must be under the control of its handler. Except when in a closed crate, the animal must have a harness, leash, or other tether in use at all times, unless it is a service dog and either the handler is unable because of a disability to use a harness, leash, or other tether, or the use of a harness, leash, or other tether would interfere with the animal's safety, effective performance of work or tasks, in which case the animal must be otherwise under the handler's control (i.e., voice control, signals, or other effective means).

Supervised Time. An animal on SEBTS property that includes academic buildings, offices, the student center, classrooms, or SEBTS sponsored events must never be unsupervised and must always be on a harness, leash, or tether under the control of the student. The student must always have supervision over their animal. Failure to do so may result in penalties or revocation to keep the animal on premises.

Training. Before coming on SEBTS property, all service dogs and emotional support assistance animals must be housetrained and if the animal is to be allowed on SEBTS property, the animal must consistently control its waste elimination and barking, whining, or whimpering.

Service Dogs. The service dog must be trained to perform a specific job or task in connection with its ability to assist the disabled person and such training is the responsibility of the student.

Emotional Support Animals. The emotional support assistance animal does not have to be trained in connection with its ability to assist the disabled person, but its presence must be necessary to alleviate one or more identified symptoms or effects of a student's disability.

Health and Cleanliness. All animals must be in good health and SEBTS has the authority to temporarily or permanently exclude an animal from SEBTS property if the animal is in ill health or habitually unclean. The student must provide a clean bill of health from a licensed veterinarian to the Dean of Students Office, and thereafter annually to the Dean of Students Office. If concern is brought to the Dean of Students Office or the Housing Office regarding the animal's health, the student must provide a current clean bill of health from a veterinary professional.

Sterilization. All service dogs and emotional support assistance animals on SEBTS property must be sterilized (spayed, neutered, or other method of sterilization). The student must provide the Dean of Students Office with veterinarian verification that the animal has been sterilized.

Vaccination, Leash Laws, and Other Animal Health Laws. Students with disabilities must comply with all applicable laws and regulations, including vaccination, licensure, animal health, and leash laws. The student must ensure that the animal has been immunized against diseases and treated for pests, such as fleas and ticks, common to that type of animal. Animals must have current vaccination against rabies, wear a valid rabies vaccination tag, and be properly licensed. The student must provide the Dean of Students Office with appropriate documentation confirming vaccinations, licenses, and pest treatments.

Waste Disposal. Students are responsible for ensuring the immediate clean-up and proper disposal of all animal waste. Animal waste is not to be disposed of indoors. Students are responsible for ensuring the animal does not urinate or deposit waste on shrubbery, flowers, small trees, railings, etc. Student must pick up and dispose of animal waste in trash receptacles (whether indoors or outdoors). No animal waste (i.e. feces) permitted on the grounds. Fines for violations shall be as follows: first violation will be \$50.00; second violation will be \$150.00. The third violation will result in the immediate revocation of permission to keep the animal on the premises.

Health and Safety. The animal must not pose a threat to the health or safety of students, visitors, or any other persons on SEBTS property.

One-Bite Policy. SEBTS has the authority to temporarily or permanently exclude an animal from SEBTS property if the animal's behavior is unruly or disruptive. SEBTS has adopted a "one-bite" policy that requires an animal to be removed

from SEBTS property after a single occurrence of unprovoked biting or other aggressive behavior. The decision to exclude an animal from SEBTS will be made by the Dean of Students Office if the animal is deemed a direct threat to the

health and safety of others after hearing information from all parties involved, except where the situation is an emergency and the removal is temporary until such information can be considered.

Equipment. The equipment necessary for the safe keeping of the animal must not pose a threat to the safety of others and may not block evacuation routes or egress in case of an emergency.

Quiet Use and Enjoyment. Animals must not make excessive noise or display behavior that will disrupt the classroom or other community members' quiet use and enjoyment of SEBTS property including campus housing.

Disruptive Behavior. The student must ensure that the animal does not:

1. Attack, harass, jump on/at or disrupt others or their personal belongings;
2. Display any repeated behavior or make noise that is disruptive to others on SEBTS's grounds;
3. Block evacuation routes or egress in case of an emergency; and
4. Leave the student's room except when accompanied by the student.

Damage to Property. SEBTS shall not charge students with service dogs or emotional support assistance animals a surcharge. However, SEBTS may charge students for damages caused by the service dog or emotional support assistance animal. Students will be responsible and will pay for all damages or destruction caused by the animal to the buildings, furnishings, or grounds of SEBTS. Such responsibility and liability of student will also include the repair of damaged items to their former condition and/or replacement where necessary, which will be at the sole discretion of Dean of Students Office and the Housing Office. Animal damage is not considered normal wear and tear, and the student will be responsible for the value of replacement and installation of carpet, flooring, or other fixtures necessitated by the presence of animal urine or other waste found by SEBTS. This value will be prorated based on the respective age of the item(s). The balance will be billed to the student.

Emergencies. SEBTS is not responsible for an animal during a fire alarm, fire drill, natural disaster, or other emergency.

Exclusions

SEBTS may exclude an animal from the institution's property if:

- the specific animal is out of control and the student does not take effective action to control it (i.e. barks repeatedly or disrupts the classroom, Chapel, academic settings, or student activities on campus, or campus housing);
- the specific animal would impose an undue financial and administrative burden or would fundamentally alter the nature of SEBTS's services;
- the specific animal poses a direct threat to the health (i.e. allergies) or safety of others that cannot be eliminated or reduced to an acceptable level by a reasonable modification to other policies, practices, and procedures (i.e. the specific animal is not housebroken or trained so that, absent illness or accident, the animal consistently controls its waste elimination);
- the specific animal in question would cause substantial physical damage to the property of others that cannot be reduced or eliminated by another reasonable accommodation; or
- the specific animal cannot perform and demonstrate or command all claimed service assistance.

To determine whether there is cause for exclusion, SEBTS will conduct an individualized assessment of the specific animal's actual conduct, considering the facts and circumstances of each case.

If SEBTS excludes an animal, it shall give the student with the disability the opportunity to request approval of another service dog or emotional support assistance animal.

Resident Housing

Additionally, a student requiring a service dog or emotional support assistance animal who plans to reside in SEBTS housing must abide by the rules and regulations presented by the Housing Office. Please contact the Housing Office at (919) 761-2400 or email housing@sebts.edu for any questions on housing policy.

Appeals and Grievances

Any student dissatisfied by a decision concerning a service dog or emotional support assistance animal may appeal through the Dean of Students Office. He can be reached at (919) 761-2306 or wbowers@sebts.edu.

Appendix C: Hazing Policy

Judson College at Southeastern recognizes the importance and value of activities that acculturate students into the House System. New member education and bonding activities should have a purpose and should support the dignity and development of the individual, be consistent with the student organization's values and mission, and uphold the values of Judson College at Southeastern as a whole. Activities that do not meet this definition are considered hazing.

Hazing Defined

Hazing is any conduct that subjects another person to humiliation, degradation, abuse, intimidation, harassment, or endangerment of mental or physical health or safety as a condition of association with a group, regardless of the person's willingness to participate. Acts of hazing by Houses, individuals, or alumni are prohibited. Apathy or acquiescence in the presence of hazing are not neutral acts but violations of the hazing policy.

Accountability

Hazing is prohibited and any student failing to comply with this policy may be subject to action through the Dean of Students. Any student, House, or student group found to be involved in hazing activity may face conduct action and be subject to sanctions including but not limited to warning, educational workshops, service, probation, revocation, or denial of recognition or registration for a student group or organization, suspension, or dismissal/removal from Judson College at Southeastern. Individuals who participate in acts of hazing are personally accountable under the Seminary Duties, Student Privileges & Responsibilities section as outlined in the Student Handbook and the hazing policy, regardless of the outcome of any related case brought against a student group or organization.

Examples of Hazing

The standard of conduct at Judson College at Southeastern prohibits many activities that may be associated with hazing, such as illegal alcohol use and abuse, vandalism, theft, verbal or physical abuse or threat of harm, sexual harassment, and other forms of harassment. In addition to those activities and conduct expressly prohibited, examples of prohibited individual/group activities that may constitute hazing include but are not limited to the following:

- Any activities that interfere with academics.
- A new member activity in which active members do not participate. In any given activity, there should be both new and returning members participating in the same manner (i.e. not watching new members clean, dance, etc.).
- Activities or conditions that deprive individuals of basic needs including but not limited to sleep, food, water, use of bathroom facilities, and contact with family and friends.
- Any form of questioning under pressure or in an uncomfortable position. Ergo a new member should not be verbally abused after missing a question.
- Mandatory workouts—while working out may be "healthy," there are risks associated with making someone work out. If someone is injured, the group will be liable. This does not apply to formal athletic team activities for skill and performance development and improvement.
- Mandatory silence periods.
- Requiring new members to perform personal service to active members such as carrying books, running errands, performing clean-up duties, etc.
- Encouraging the use of alcohol or other drugs, including the use of alcohol in drinking games or contests.
- Forced consumption of alcohol or other substances.
- Engaging in or simulating sexual acts.
- Threatening or causing physical restraint.
- Throwing substances or objects at individuals.
- Blindfolding, paddling, nudity, shaving, tattooing, piercing, or branding.
- Stealing of any kind; theft or misuse of property belonging to others.

Passive participation in hazing may include:

- Witnessing hazing taking place as a group member, affiliate, or guest.
- Participating in or being present in person or via technology in discussions where hazing is planned.

Appendix D: Housing Policy

Campus Housing helps Southeastern Baptist Theological Seminary and Judson College at Southeastern accomplish its mission by promoting, providing, and managing adequate, affordable, and safe housing within a welcoming community for all students who desire it.

The basic premises of all policies and regulations for housing are individual responsibility and mutual respect for fellow students. The essential assumption is that students in campus housing are Christian adults in residence at a Christian institution. Policies and regulations are formed primarily to assist in providing an atmosphere in which the welfare of the student is both affirmed and preserved. In this sense, regulations and guidelines are, of necessity, restrictive in that they help to protect property and maintain a positive setting for all students in an environment in which facilities, equipment, and space are shared.

Housing policies and regulations are devised to be consistent with Southeastern's commitment not only to its students but also to the Southern Baptist Convention and the people who support it. Their primary aim is to help maintain a comfortable setting conducive to learning while providing as much privacy as possible in a shared environment. All seminary housing students are guided by specific policies and regulations.

Detailed information and regulations for students who occupy campus housing are available through the Housing Office. Housing options include apartments, dormitories, and commuter housing. Students are required to sign a housing agreement. Campus housing is available to students who are enrolled in at least 6 hours in a degree program. Exceptions may be approved through the Director of Housing.

Single students ages 30-35 can rent single student housing flat rate apartments with other students ages 30-35 (where available) or rent a private apartment (subletting permitted only to other students ages 30-35). Single students 36 years and older can rent a private apartment in campus housing. Appeals to the age policy may be made in writing to the Director of Housing at housing@sebts.edu.

The assignment of a dormitory room or apartment is not a commitment on the part of SEBTS to the student for continuous occupancy of a particular room/apartment. At the discretion of the administration, rooms or apartments may be closed, or students may be required to make moves within campus housing.

Housing at Southeastern consists of residential living units designed for residents who are capable of providing for their own health care and personal care needs. The Seminary is not licensed as a health care facility. Therefore, while SEBTS can provide no personal care attendant (PCA) services, a student is free to hire their own PCA and Southeastern will work to accommodate them. If a student is not capable of providing their own health care and personal needs they may be required to vacate housing.

Students requiring medical accommodations for housing are required to request accommodation through the Disability Services in the Dean of Students Office.

Policy of Judson College at Southeastern's House System

Judson College at Southeastern's House System applies to all students with some exemptions. Judson College at Southeastern House System includes an Undergraduate Residency Policy. The following Undergraduate Residency Policy is in place:

All incoming residential students are required to live on campus in designated residence halls.

Exceptions

1. Students who are 21 years-old at the time of enrollment.
2. Students who are married.
3. All residential students who, at the beginning of the upcoming semester, are the age of 20 and have completed 75 hours toward their degree, may apply to live (or remain) within the residence halls (provided space is

available) or may live in another area of campus housing.

NOTE: Once a student has reached one of the Exceptions above, (excluding marriage) they may choose to remain within the designated residence halls (provided space is still available), move to another area of campus housing, or move out of campus housing.

Exemptions

1. Students who marry during enrollment will be allowed to move out immediately.
2. Students who turn 21 during the middle of a semester will be allowed to move out at the conclusion of that semester.
3. Students who will be living with their parents or legal guardians.
4. Students who have dependents.
5. Students who are dually-enrolled.

Appendix E: Drug and Alcohol Prevention Policy

Scripture tells us plainly that in whatever we do, (including what we eat or drink as well as in our words or deeds) we are to do all things for the glory of God (I Corinthians 10:31, Colossians 3:17). Scripture also indicates that our conduct is supposed to serve as a witness to the Gospel of Jesus Christ. With these truths in mind, Southeastern Baptist Theological Seminary and Judson College at Southeastern (SEBTS) strive to create a learning environment that not only fosters excellence in education but also facilitates Christian growth. We desire to be a community whose conduct and reputation glorify God and serve as a witness to His goodness in all we do. Therefore, all students, faculty, and staff are expected to live according to the highest standards of Christian behavior.

In addition, to the above-mentioned Scriptural principles and motivations, SEBTS also strives to comply with federal regulations for learning communities such as the Drug-Free Schools and Communities Act Amendments of 1989 and the Drug-Free Workplace Act of 1988. The regulations require all schools and institutions of higher education to adopt and implement a program to prevent the illicit use of drugs and the abuse of alcohol by students and employees on SEBTS property or as part of any SEBTS activity.

The Department of Education requires SEBTS by law to distribute this Drug and Alcohol Prevention Policy on an annual basis to all students and employees. If a student or employee has any questions regarding this policy or wishes to receive further information on the institution's Drug-Free Schools and Communities Act and Drug-Free Workplace Act program, the student or employee should contact the Dean of Students Office or the Humans Resources Office.

Standards of Conduct

SEBTS supports and endorses the Federal Drug-Free Workplace Act of 1988 (41 USC § 701 et seq.) and the Drug-Free Schools and Communities Act amendments of 1989 (20 USC § 1145(g)). Pursuant to these Acts, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance, including illicit drugs or abuse of alcohol (as defined in these Acts) by an employee or student on the property of SEBTS or as part of any SEBTS activities is prohibited, and shall be subject to disciplinary action in accordance with applicable policies of the institution. For employees, SEBTS will take appropriate personnel action for such infractions, up to and including termination. Students who violate this policy will be subject to sanctions as set forth in the Student Handbook including suspension and expulsion from SEBTS.

In addition to these Acts, SEBTS upholds relevant conduct standards for its students, which the student covenant articulates. Any consumption of alcoholic beverages while matriculated as a student at SEBTS (college and/or seminary), which includes the regular semesters, fall, winter, spring, and summer breaks (even if not enrolled in classes for a semester), and any consumption of alcoholic beverages on or off campus (including campus housing) is considered unacceptable conduct and therefore, is strictly prohibited. Furthermore, the Student Handbook also prohibits any use, consumption, or possession of illegal drugs or controlled substances, or flagrant misuse of prescription drugs and the use of tobacco, marijuana, and/or marijuana related products (i.e. this would include but not be limited to mind-altering substances). SEBTS faculty and staff are also required to maintain these same standards. For the specific statement on SEBTS conduct standards for faculty and staff, please see the Faculty Handbook and the Employee Handbook.

As a condition of employment, all employees shall abide by the terms and conditions of 41 USC § 701 et seq. and 20 USC § 1145(g). As such, an employee must notify the institution of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction. Such notice shall be provided in writing by the employee to the Director of Human Resources. SEBTS will, in turn, notify as appropriate, the applicable federal agency of the conviction within ten days of its receipt of notification of the conviction. For such conviction, SEBTS will take appropriate personnel action, up to and including termination, within thirty (30) days of receiving notice of such conviction. Employees may also be required to satisfactorily participate, at their expense, in a drug abuse assistance or rehabilitation program as approved for such purposes by a federal, state, or local health, law enforcement, or other

appropriate agency before being allowed to return to work, which may include drug and alcohol testing, as applicable. Employees may also be required to undergo reasonable suspicion drug and alcohol testing as part of this program. For purposes of this policy, a “conviction” means a finding of guilt (including a plea of *nolo contendere*) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes.

SEBTS complies with the Drug-Free Schools and Campuses Regulations that requires institutions of higher education to conduct a biennial review of their alcohol and drug programs and policies in order to analyze current trends, provide effectiveness and solutions, and to ensure that disciplinary sanctions are being enforced within the institution. All institutions of higher education receiving federal funds or financial assistance must develop and implement a program to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees.

Legal Sanctions

In addition to serious health risks, employees and students who violate drug laws face serious legal sanctions. Various local, state, and federal laws apply to the possession, use, and distribution of controlled substances. SEBTS will refer violations or proscribed conduct to appropriate authorities for prosecution.

The legal age for possession of alcohol in the State of North Carolina is 21. Minors who possess and consume alcohol and adults who supply alcohol to a minor are both subject to misdemeanor charges of probation and face potential sanctions including loss of driver's license, a fine starting at \$100 that can go up to \$1,000, community service, and/or jail time. Consumption of alcohol in North Carolina by anyone under the age of 21 is a Class 1 Misdemeanor. North Carolina General Statute 18B-302 states that to aid, abet, sell, or give alcoholic beverages to anyone under the age of 21, or to attempt to purchase alcohol under the age of 21, is a Class 1 Misdemeanor.

The use or possession of illegal drugs or controlled substances, tobacco products, marijuana and/or THC related products, or flagrant misuse of prescription drugs by students or faculty and staff at SEBTS is strictly prohibited.

It is illegal in North Carolina to possess, use, or sell drug paraphernalia (or to possess paraphernalia with the intent to do so). Paraphernalia includes such items used in growing, harvesting, processing, selling, storing, or using marijuana.

Using or possessing paraphernalia for heroin, cocaine, methamphetamines, LSD, PCP, opium, ecstasy, molly, unlawfully obtained prescription drugs, and any other drugs (except for marijuana) could result in a Class 1 Misdemeanor. Using or possessing paraphernalia for marijuana could result in a Class 3 Misdemeanor.

The North Carolina General Statute 90-86 North Carolina Controlled Substances Act makes it a crime to possess, sell, deliver, or manufacture drugs designated as “controlled substances,” and these controlled substances are defined and placed into one of six categories called “schedules.” Minimum punishments for violations and legal sanctions for North Carolina state law for the illegal use of controlled substances can be found in the [North Carolina Controlled Substances Act](#).

The State of North Carolina has structured sentencing with judges permitted to impose a sentence within a prescribed range, depending on the class of the offense, the number of prior convictions, and the mitigating factors in the circumstances of the offense. The legal consequences can be found in the [Drug Enforcement Administration of the US Department of Justice](#).

Federal drug laws apply to many situations including those which involve transporting illegal drugs on federal highways, across state lines, or via U.S. Mail.

Health Risks

Alcohol and drug abuse are harmful to one's physical, mental, and social well-being. Accidents and injuries are more likely to occur if alcohol and drugs are used. Alcohol and drug users can lose resistance to disease and destroy their health. Tolerance and psychological dependence can develop after sustained use of drugs.

Alcoholism is the number one drug problem in the United States. Alcoholism takes a toll on personal finances, health, social relationships, and families, and it can have significant legal consequences. Alcohol and drug abuse may cause an

individual driving a motor vehicle to injure others and may subject the abuser to criminal prosecution. Drunk drivers are responsible for more than half of all traffic fatalities.

The major categories of drugs are listed below and include the significant health risks of each.

- ALCOHOL – Impairment of judgment and coordination, addiction, permanent damage to vital organs such as the brain and liver.
- CANNABIS (Marijuana, Hashish) – Impairment of memory and comprehension, paranoia and psychosis, lung and pulmonary damage, psychological dependence.
- COCAINE – Psychological and physical dependency, hallucinations, paranoia, seizures, cardiac arrest, respiratory failure.
- STIMULANTS (Amphetamines) – Loss of coordination, physical collapse, stroke, fever, heart failure, anxiety, hallucinations, paranoia.
- DEPRESSANTS (Barbiturates, Tranquilizers) – Respiratory depression, coma, death, physical and psychological dependence, convulsions.
- HALLUCINOGENS (Phencyclidine, Lysergic acid) – Memory problems, speech difficulty, mood disorders, violent behavior, paranoia, hallucinations, convulsions, coma, heart and lung failure.
- NARCOTICS (Heroin, Codeine, Morphine, Opium) – Nausea, convulsions, coma, possible death, dependence.
- STEROIDS – Liver cancer, psychological disorders, liver dysfunction, heart attack.

Counseling, Treatment, or Rehabilitation Programs

Employees or students with alcohol or other drug related problems are encouraged and, in some cases, may be required to utilize the services of private and community agencies including those specified below.

- Alcoholics Anonymous (Tri-County Intergroup AA) – (Raleigh Area) (919) 783-8214
- Bethel Colony of Mercy – (Lenoir Area) (828) 754-3781
- Converting Hearts Ministries – (Wake Forest) (919) 628-0315
- Freedom Farm Ministries – (Boone Area) (828) 202-5907
- G4 Ministries (The Summit Church) – (Raleigh/Durham Area) (919) 383-7100
<https://summitchurch.com/counseling/g4-groups/>
- Grace Home for Women – (Santee, SC) (803) 854-9809
- Greater Piedmont Teen Challenge – (Greensboro Area) (336) 292-7795
- Hebron Colony Ministries – (Boone Area) (828) 963-4842

In any case where disciplinary action is deemed necessary for misconduct, SEBTS reserves the right to impose the most severe sanction including suspension, expulsion/dismissal, and prosecution.

Disciplinary Sanctions

SEBTS will impose disciplinary sanctions on students and employees who violate the above standards of conduct. Among the disciplinary sanctions which may be imposed on students are:

1. reprimand,
2. probation,
3. loss of privileges,
4. financial penalties,
5. suspension,
6. expulsion/dismissal, and
7. referral for prosecution.

Among the disciplinary sanctions which may be imposed on employees are:

1. oral warning,
2. written reprimand,
3. suspension,
4. termination, and
5. referral for prosecution.

Where it is determined to be in the best interest of the institution, the employee will be immediately discharged. SEBTS may require students and employees to satisfactorily complete an appropriate rehabilitation or assistance program.

Appendix F: Firearms & Weapons Policy

- A. Under N.C. Law G.S. 14-269.2(d) possessing a BB gun, air rifle, air pistol, Taser, Bowie knife, sling shot, switch blade knife, dagger, or fireworks on a school campus (this includes campus housing and parking areas) is a Class 1 Misdemeanor.
- B. Under N.C. Law G.S. 14-269.2(b) possessing a gun, rifle, pistol, or other firearms of any kind on a school campus (including campus housing and parking areas) is a Class 1 Felony.
- C. In addition to these standards, SEBTS specifically prohibits the possession on school campus (including campus housing and parking areas) bow and arrow, compound bows, and paintball guns (markers) of any kind.
- D. This policy pertains to all members of the SEBTS community (administration, staff, faculty, student body, maintenance crews, etc.) at all times with the exception of those who are given explicit permission as part of the official SEBTS campus security department.
- E. Under N.C. Law G.S. 14-269.2(k) Schools, Public or Private, All Levels Including Universities. The provisions of this section shall not apply to a person who has a concealed handgun permit that is valid under Article 54B of this Chapter, or who is exempt from obtaining a permit pursuant to that Article, who has a handgun in a closed compartment or container within the person's locked vehicle or in a locked container securely affixed to the person's vehicle. A person may unlock the vehicle to enter or exit the vehicle provided the firearm remains in the closed compartment at all times and the vehicle is locked immediately following the entrance or exit.

Any violation(s) of these policies and/or laws will be met with immediate and appropriate action from institutional, city, and/or state officials. In addition, it is the policy of the institution that if any member of the faculty, staff, or student body becomes aware of a violation of the firearms and weapons policies listed above, he or she has a duty to report the violation to a school official.

Appendix G: Peer-to-Peer File Sharing

In compliance with the Higher Education Opportunity Act, specifically with sections 485 and 487 of that legislation, Southeastern Baptist Theological Seminary and Judson College at Southeastern (SEBTS) strictly forbids the unauthorized duplication, use, and/or distribution of copyrighted materials, including music and video files, through peer-to-peer file sharing on the SEBTS network. These actions expose the student to consequential civil and criminal liabilities.

Civil and Criminal Penalties for Violation of Federal Copyright Laws

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the filesharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the website of the U.S. Copyright Office at www.copyright.gov.

Students involved in peer-to-peer file sharing of which they are not copyright owners are in violation of SEBTS copyright policy and can potentially be subject to a lawsuit by the copyright holder under the Digital Millennium Copyright Act. Infringing on copyrights is against federal law. Failure to obey copyright laws may result in an FBI investigation and/or prosecuting alleged violations. If a student is served a subpoena, SEBTS will comply with the terms of the subpoena. You are responsible for understanding what constitutes legal use of music, movies, software, images, and other copyright works that you own or use. Student action involved in peer-to-peer file sharing or the unauthorized duplication, use, and/or distribution of copyrighted materials could result in the consequences of loss of privileges to use SEBTS networks and computer systems, possible probation, suspension, or expulsion, and/or can be consigned to law enforcement.

SEBTS currently employs an enterprise-class Sonicwall security device for the analysis of inbound and outbound network traffic. Access to peer-to-peer file sharing is blocked as much as possible by Sonicwall. If excessive uploading is detected, the Information Technology Department (IT) will seek to identify the end user’s system, and notify the user of the issue and possible causes. If contact cannot be made with the system owner, the data connection will be severed until the owner can be reached.

The illegal download of copyrighted materials results in major consequences. However, there are some free legal alternatives for downloading materials. See the list of examples below:

- Hulu: hulu.com
- iTunes: apple.com/itunes

Appendix H: Responding to Sexual Assault Offense

Southeastern Baptist Theological Seminary and Judson College at Southeastern (SEBTS) is committed to fostering a campus environment that both promotes prompt reporting of sexual discrimination or assault and timely, fair and impartial adjudication of reported cases. Individuals will not be discouraged by any employee of SEBTS from reporting incidents of assault or discrimination, and it is a violation of SEBTS policy to retaliate against any person making a complaint or against any person participating in the investigation of any allegation of assault or discrimination.

If a sexual assault should occur, the victim should take the following precautions:

- Go to a safe place.
- Call Campus Security or the Wake Forest Police Department if the incident occurred on campus.
- Call local law enforcement if it occurred off campus. Campus Security can assist you if desired.
- Contact SEBTS's Title IX Coordinator.
- Contact a friend or family member.
- Do not bathe or douche.
- Do not urinate, if possible.
- Do not eat, drink liquids, smoke, or brush teeth if oral contact took place.
- Keep the clothes worn during the offense. If clothes are changed, place clothes in a paper bag (evidence deteriorates in plastic).
- Get prompt medical attention.¹
- Do not destroy the physical evidence that may be found in the vicinity of the crime. If the crime occurred in the victim's home, do not clean or straighten until the police have had an opportunity to collect evidence.²
- Tell someone all details remembered about the assault.³
- Write down all details remembered as soon as possible.

¹ After an incident of sexual assault or domestic violence, the victim should consider seeking medical attention as soon as possible. The hospital obtains the victim's name at check-in. If the victim wishes, the evidence kit collected at the hospital will be transferred to the appropriate law enforcement agency's evidence room. The kit will be listed under the name of John Doe or Jane Doe with the time and date of the incident. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing, or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours in order to preserve evidence which may assist in proving that the alleged criminal offense occurred/or is occurring, or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease.

² Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs, or other copies of documents, if they have any, as such evidence may be useful to investigators and law enforcement.

³ If the victim tells an employee of SEBTS, the employee is required to report any sexual harassment, assault, or abuse to the Title IX Coordinator. Students of SEBTS are also encouraged to report to the Title IX Office.

How to Report a Criminal Offense

Contact the Department of Campus Security at (919) 291-1903 (non-emergencies),

The Wake Forest Police Department at (919) 556-9111, or dial 9-1-1 (emergencies only). Any suspicious activity or person seen in the parking lots or loitering around vehicles, inside buildings or around the Residential Halls should be reported to Campus Security.

In addition, you may report a crime to the following areas:

- Assistant Dean of Students to Men – Ledford Center – (919) 761-2409
- Dean of Students Office – Ledford Center – (919) 761-2306
- Financial Aid/Student Resources – Ledford Center – (919) 761-2317
- Human Resources – Stealey Hall – (919) 761-2209
- College House System/ Residence Life – (919) 761-2809, (919) 761-2305
- Title IX Coordinator – (919) 761-2103

Filing a report with a Campus Security officer does not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention (various counseling options are available from SEBTS through the Student Life Office. Counseling and support services outside SEBTS can also be obtained). The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system and/or SEBTS. A SEBTS representative will guide the victim through the available options and support the victim in his or her decision. This may be a time in which an individual will have to make many decisions and may feel a variety of emotions that might make it difficult to cope alone. SEBTS and our local community are both well-equipped to assist individuals who have experienced sexual violence, dating/domestic violence, or stalking, whether through having individuals to talk to and support them, obtaining medical attention, planning for their physical and emotional safety, making adjustments to their housing or class schedule, visiting a counselor or seeking support, and/or engaging with legal authorities.

Appendix I: SEBTS Technology Acceptable Use Policy

Focusing on the Missions and Goals of Southeastern

This policy defines the boundaries of "acceptable use" of Southeastern Baptist Theological Seminary's and Judson College at Southeastern's (SEBTS) electronic resources, including computers, networks, electronic mail services, electronic information sources and copiers as detailed below (Adapted from: *SEBTS Technology Acceptable Use Policy*, Found in The SEBTS Employee Handbook).

The policy is based on the principle that the electronic information environment is provided to support the academic and accreditation goals of SEBTS including its mission of education, research and service. All other uses are secondary. Technology usage that might threaten the integrity of SEBTS's network, the actual or perceived safety of others, or any illegal activity is strictly forbidden. By using SEBTS's electronic information systems you assume personal responsibility for their appropriate use and agree to comply with this policy, other applicable institutional policies, and all applicable city, state, and federal laws and regulations.

Purposes

SEBTS makes computing resources (including, but not limited to, computer facilities and services, computers, networks, electronic mail, electronic information and data, video, and voice services) available to faculty, staff, students, and special guests to support the academic, research, and service missions of SEBTS.

Implied Consent

Each person with access to the institution's computing resources is responsible for his/her appropriate use and by their use agrees to comply with all applicable institution and information technology policies and regulations, and with applicable city, state, and federal laws and regulations.

Enforcement and Penalties for Violation

Any person who violates any provision of this policy, or other relevant Seminary policies, or of applicable city, state, or federal laws or regulations may face sanctions up to and including termination or expulsion.

Interpreting this Policy

As technology advances, questions will arise about how to interpret the general standards expressed in this policy. The Executive Vice President for Operations or the Director of Information Technologies may periodically update this policy to provide more specific rules that comply with the mission of SEBTS.

Specific Rules

The following specific rules apply to all uses of SEBTS computing resources. These rules are not an exhaustive list of proscribed behaviors, but are intended to implement and illustrate the general standards for the acceptable use of computer resources, other relevant institutional policies, and applicable laws and regulations.

All users of SEBTS's computer resources will be provided a personal user identification or User ID from the Information Technologies department. This User ID should be treated as confidential and should not be given to anyone not authorized to use SEBTS's computer resources. However, some public access computer resources, as identified by the Director of Information Technologies, do not require personal identification measures.

Strictly Prohibited

In an effort to protect SEBTS's computer and network architecture from intentional and unintentional harm, rules have to be established and enforced. These rules are not meant to hinder the users—but are meant to ensure them that the systems and their data will be available when they are needed. The following activities and behaviors are strictly prohibited:

- Misrepresentation (including forgery) of the identity of the sender or source of an electronic communication;
- Acquiring or attempting to acquire passwords of others;
- Using or attempting to use the computer accounts of others;
- Harassing, threatening, or harming individuals or classes of people and/or impeding their activities;
- Alteration of the content of a message originating from another person or computer with intent to deceive;
- Using the Internet to view pornographic or morally offensive web sites or the electronic distribution of such material;
- The use of restricted-access SEBTS computer resources or electronic information without or beyond one's level of authorization;
- The interception or attempted interception of communications by parties not explicitly intended to receive them;
- Making SEBTS computing resources available to individuals not affiliated with this organization without approval of the Director of Information Technologies or the Executive Vice President for Operations;
- The unauthorized copying or use of licensed computer software;
- Unauthorized access, possession, or distribution, by electronic or any other means, of electronic information or data that is confidential under SEBTS's policies regarding the privacy or the confidentiality of student, administrative, personnel, archival, or other records;
- Intentionally compromising the privacy or security of electronic information;
- Intentionally infringing upon the intellectual property rights of others in computer programs or electronic information (including plagiarism and unauthorized use or reproduction);
- Interference with or disruption of the computer or network accounts, services, or equipment of others, including, but not limited to, the propagation of computer "worms" and "viruses", the sending of electronic chain mail, and the inappropriate sending of "broadcast" messages to large numbers of individuals or hosts;
- Failure to comply with requests from appropriate SEBTS officials to discontinue activities that threaten the operation or integrity of computers, systems or networks, or otherwise violate this policy;
- Revealing passwords or otherwise permitting the use by others (by intent or negligence) of personal accounts for computer and network access;
- Altering or attempting to alter files or systems without authorization;
- Unauthorized scanning of networks for security vulnerabilities;
- Attempting to alter any SEBTS computing or networking components (including, but not limited to routers, switches, and hubs) without authorization;
- Unauthorized wiring, including attempts to create unauthorized network connections, or any unauthorized extension of any computer or network services;
- Intentionally damaging or destroying the integrity of electronic information;
- Intentionally disrupting the use of electronic networks or information systems;
- Intentionally wasting human or electronic resources; and
- Negligence leading to the damage of SEBTS electronic information, computing/networking equipment and resources.

Updates and Revisions to the Student Handbook

Changes and updates may be *suggested* by students, faculty, or staff but are *initiated* by the Dean of Students office upon review by the leadership team of the Student Life Division. The policy updates/changes (not edits or proceed rules) must be approved by the president's cabinet. Once the policies are voted into effect, they apply to all current students at the time the policy is approved and communicated to the student body via email unless otherwise indicated. Updates/changes not affecting policies will not be communicated to the entire student body.

The Student Handbook will be posted at sebts.edu/community-life/default.aspx and aroundsoutheastern.com/index.php/student-handbook/.

Note: Students are always accountable to the most current edition of the Student Handbook.

This handbook was last updated on July 29, 2025 by Student Life, SEBTS.

Southeastern Covenant (Seminary)

THE SOUTHEASTERN COVENANT Southeastern Baptist Theological Seminary

Preamble: Southeastern Baptist Theological Seminary is a distinctively Christian covenantal community that seeks to glorify the Lord Jesus Christ by equipping students to serve the Church and fulfill the Great Commission. As disciples of Jesus Christ, we the students of Southeastern Baptist Theological Seminary hereby commit to honoring the Lord in all areas of life and practice (1 Corinthians 10:31, Colossians 3:17), striving to know and obey Christ and His Word, and taking the initiative to witness to the saving power of Jesus Christ through both word and deed. Each one of us further pledges to embody the “more excellent way” (1 Corinthians 12:31) of love for God and our fellow students (Mark 12:29-31) by making the following commitments:

1. I will maintain involvement in a local church, regularly worshiping and studying God's Word with a body of believers (c.f. [Local Church Involvement](#)).
2. I will adhere to the following standards, which are representative of institutional policies as defined in the Student Handbook:
 - a. I will do my best in my academic work to please the Lord, so that I may be “a workman who does not need to be ashamed” (2 Timothy 2:15).
 - b. I will tell the truth, and my academic work will be my own (c.f. [Behavior Subject to Discipline](#) and [Cheating & Plagiarism](#)).
 - c. I will conduct myself as a witness of Jesus, treating people with grace and kindness (c.f. [Behavior Subject to Discipline](#)).
 - d. I will follow the prescribed Chapel policies (c.f. [Chapel](#)).
 - e. I will keep my mind and body pure and free from any form of sexual sin, including pornography (c.f. [Behavior Subject to Discipline](#) and [Commitment to Sexual Holiness and Integrity](#)).
 - f. I will be financially responsible, pay my bills, and work to support myself as necessary (c.f. [Behavior Subject to Discipline](#)).
 - g. Both on and off campus, and while classes are both in and out of session, I will not possess or use alcoholic beverages, illegal drugs, tobacco products, e-cigarettes, vapes, marijuana, any form of CBD product (including oils, edibles, etc.) containing more than 0.3% of THC, and other mind-altering substances, and I will not misuse prescription drugs or other controlled substances (c.f. [Behavior Subject to Discipline](#) and [Appendix E: Drug and Alcohol Prevention Policy](#)).
3. I will faithfully honor the Biblical teachings related to all aspects of marriage (Genesis 2:24, Matthew 19:4-6).
 - a. If I am married, I will remain faithful to my spouse in the bond of the marriage covenant. I will live a chaste and holy life with regard to sexuality and sexual expression in the context of covenant marriage. I will prioritize my family over my studies, I will learn and follow the instructions in God's Word concerning my conduct toward my spouse and my children, and I will seek to leverage my marriage for maximal participation in Gospel ministry.
 - b. If I am single, I will commit to living a chaste and holy life with regard to sexuality and sexual expression as God directs for my singleness (Ephesians 5:3, 1 Thessalonians 4:1-9), and I will seek to utilize my singleness for maximal participation in Gospel ministry (1 Corinthians 7:25-32).
4. In love, with concern for the health of the community and in the hope of restoration of my brothers and sisters, I commit to personally honor this Covenant, report myself for any Covenant violation, confront any violation of this Covenant by another student, and report any breach of the Covenant that I witness or become aware of.
